NEW IN 2022 - 2024

NEW! RED SEA & PERSIAN GULF

Explore either side of Saudi Arabia with our new Red Sea and Persian Gulf itineraries. Gaze in awe at the Great Pyramids, Petra, and glittering Red Sea resorts. Or make your desert dreams come true in the Persian Gulf, where futuristic buildings coexist with Bedouin villages and racing camels are as coveted as Ferraris. From the Sphinx to the Suez Canal, sheiks to souks, these journeys reveal the Middle East both past and present. See page 128.

NEW! REMOTE CARIBBEAN BEACHES

Relax and recharge as you visit remote beaches and uncrowded islands that only private yachts can reach. Designed for the adventurous spirit, our new Eastern Caribbean itinerary lets you explore secluded dive sites, try your hand at the helm of your own rigid inflatable boat (RIB),

sip rum punch with blue water sailors in tiny beachside bars, or just bask in the bliss of places like Norman Island, inspiration for Robert Louis Stevenson's Treasure Island. See page 114.

NEW! COMPREHENSIVE SPAIN & FRANCE

Indulge your love of in-depth explorations with these decadent itineraries. Spend 12 days exploring Spain's cultural diversity as you cruise all the way around the Iberian Peninsula to the Basque Country on the Bay of Biscay. Or enjoy a leisurely 11-day journey through Western France sipping wine, admiring impressionist landscapes, and docking closer to the heart of iconic cities than larger ships can. See page 172.

NEW! MIAMI TO CENTRAL AMERICA

Enjoy convenient Miami departures that take you straight to the heart of Central America. Mayan ruins, verdant jungles, and amazing

underwater caverns and corals await on a 10-day round trip from Miami. Or spend 11 days cruising from Miami to Panama City (or reverse) taking in all of the above plus a daylight transit of the incredible Panama Canal. See page 104.

NEW! TAHITI TIMES TWO

Our year-round Tahiti itineraries just got even more delectable with a choice of two ships – the all-suite *Star Breeze* or the sleek sailing yacht *Wind Spirit*. Whichever you choose, our small, graceful yachts are the perfect way to experience Tahiti's legendary islands, getting you closer to rare and remote places like Fakarava and Savusavu. See page 58.

WINDSTAR KNOWS

INTIMATE ACCESS to unspoiled beaches and unfamiliar cultures. Secluded coves and small villages. Misty fjords and medieval ruins. Shared conversations with locals that lead to genuine connections. Time and freedom to explore to your heart's desire.

When you're on board a private style yacht like ours with a relaxed atmosphere, the world is within reach. Because Windstar knows the way.

THE WAY

...TO BRING YOU CLOSER TO THE WORLD

The wind and stars have guided the journeys of travelers throughout history. Today they illuminate your path forward to explore the world one enchanting destination at a time. Our iconic, masted *Wind* fleet and our newly reimagined all-suite *Star Plus* fleet take you where the wind and stars have always guided the world's explorers. Because our yachts serve just 148-342 guests, Windstar can deliver you to the doorsteps of the world's most unforgettable destinations, putting unique, highly personal experiences at your fingertips. We know the way to much more than iconic cities, charming villages, secluded coves, and remote islands. Windstar knows the way to offer you an entirely new perspective on travel that is personalized for your travel style with All-Inclusive or Cruise Only Fares.

FROM UNFAMILIAR TO UNFORGETTABLE... *The narrow waterway surrounded by mountains that leads to Seydisfjordur. The Riviera-esque beaches and French flair of St. Barts. The diver's paradise at Fakarava. The hidden wonders, the ports of call, and the serene waterways that Windstar's yachts can find. Enjoy port-intensive itineraries to places like Bora Bora, Cannes, Mykonos – names you may have heard but have yet to experience the Windstar way. We often stay late into the evening or even overnight in places where the hum of nightlife is complemented by a blanket of stars overhead. These are the source of memories that will stay with you forever.*

Our sailing *Wind* and newly transformed all-suite *Star Plus* yachts are small enough to deliver you to the doorsteps of the world's iconic small ports. You'll have time and freedom to wander just as a local would, or with small groups of our fellow guests on one of our 2,000 award-winning excursions.

IT'S

PERSONAL

YOU'LL JOIN A GLOBAL COMMUNITY of easygoing travel lovers — building real connections with crew, locals, and other travelers that can quickly become lifelong friendships.

Our crew gets to know you — each like, dislike, and extra detail that will make your day. They're experts in world travel, always eager to help you explore and make the most of every moment. And as the *Official Cruise Line of the James Beard Foundation*, our personalized service extends to cuisine, too. Our culinary team remembers your preferences — from favorite dishes to the way you take your morning coffee or tea.

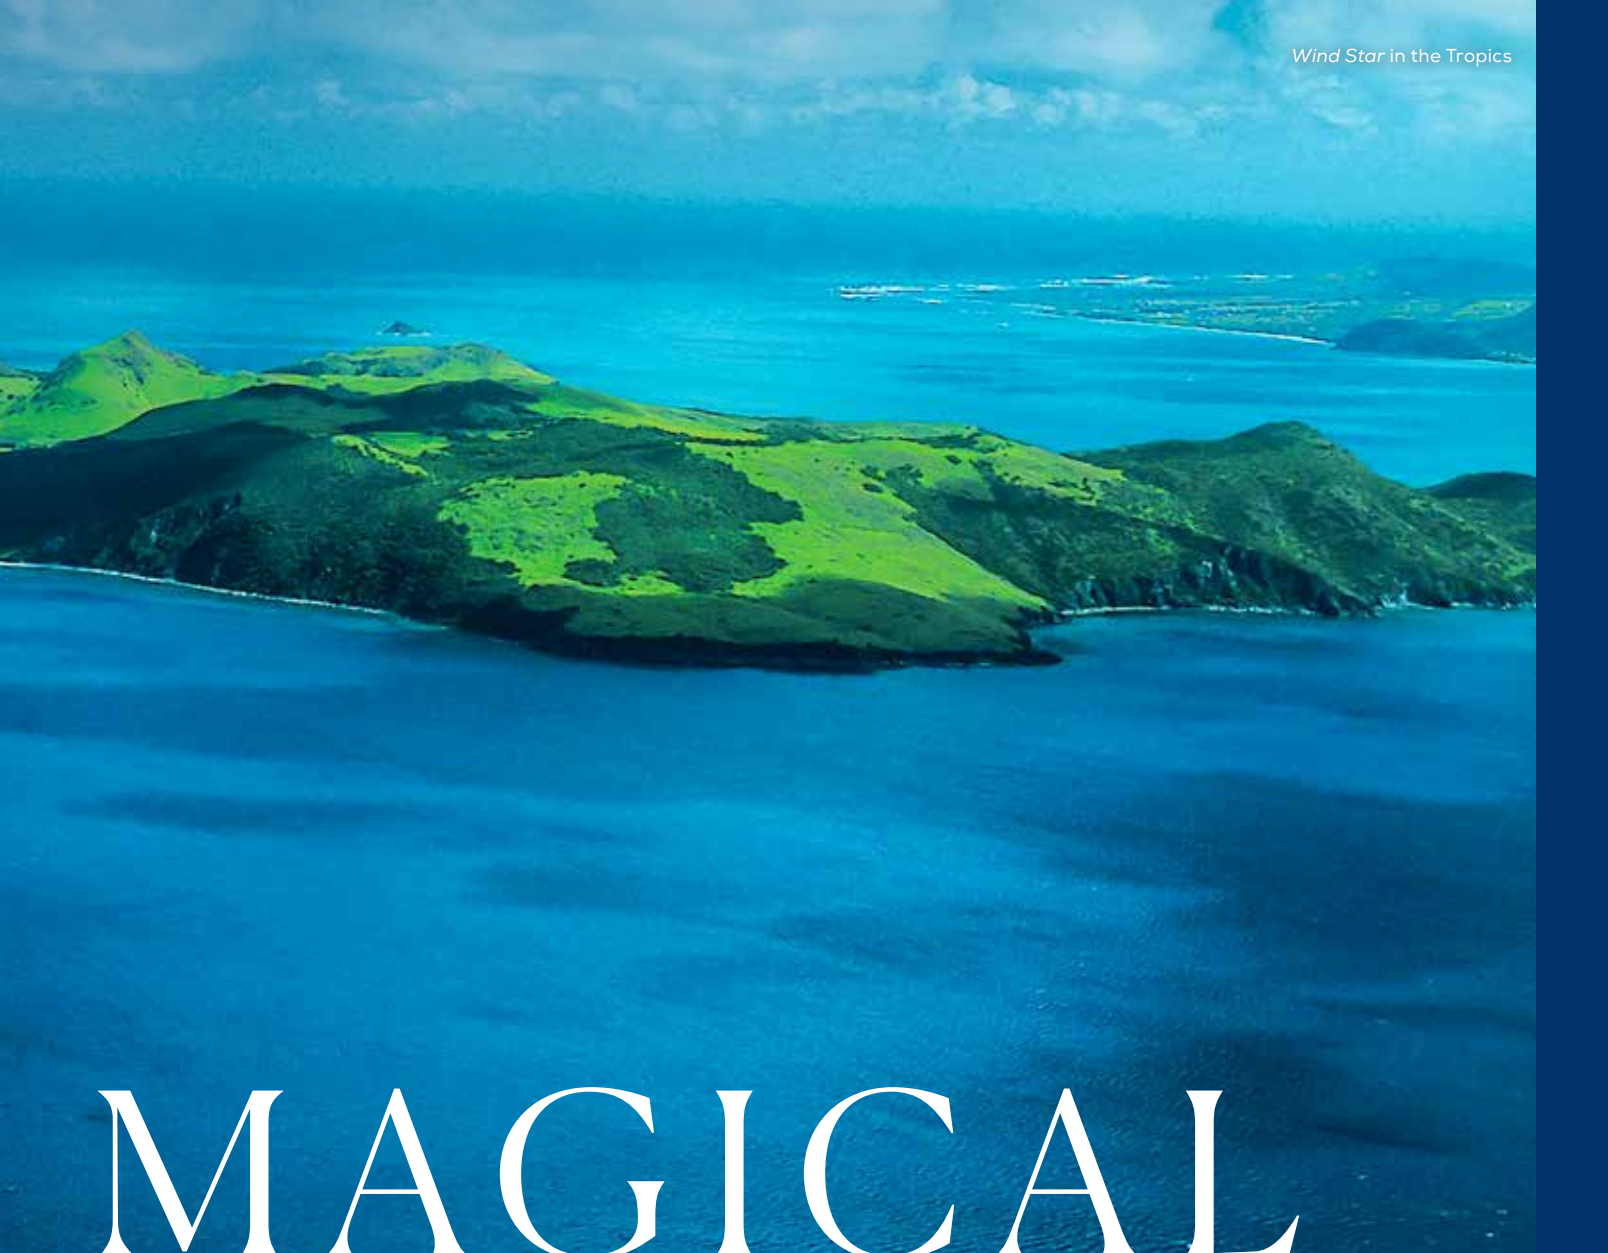

That's what it means to travel the Windstar way.

OUT OF THE WAY IS OUR WAY

It's much easier to create an itinerary of well-known ports of call. The more difficult effort comes with seeking out those less-visited places that are on the map but not on the tips of travelers' tongues. Windstar looks for destinations worthy of your time yet just out of the limelight – places where locals both go about their days and go on vacation, where you can still enjoy quiet beaches and busy market squares, and where authentic foods replace tourist fare. We then go beyond the ordinary, with exclusive Signature Beach Parties celebrating local flavors and spirits.

MORE THAN SIMPLY UNIQUE, SIMPLY

MAGICAL

EXPERT-TESTED, TRAVELER-APPROVED

We believe that if we fall in love with a destination, you probably will too. Windstar's itinerary planners pore over guest feedback surveys and meet with highly knowledgeable captains and tour operators to learn what experiences guests like you want. Then they pack their bags and do on-the-ground research, trying things firsthand to create itineraries with you in mind.

The result? Thoughtful itineraries with the right blend of late nights and overnights in marquee cities, and days in ports off the beaten path. Every possibility lies before you, and Windstar knows the way.

THE SECRET TO GREAT SERVICE IS HAVING A GREAT CREW

“What I like best about my job is that every night, I have the opportunity to make someone’s evening even more special. That could be seating a couple at their favorite table that I remember from their last cruise, having the Chef bake their favorite cake on their birthday, or taking pictures of their anniversary celebration. Seeing them happy is almost addictive — it makes me want to come up with even more creative ways to make our guests’ experiences unforgettable.”

- Hubert Baudat, Maître d’hôtel

IF WE CAN,

“When guests leave their room, I like to slip in, refresh the fruit platter, and have everything in perfect shape before they get back from their excursion or dinner. It makes me feel like I have a superpower — like the magic broom in ‘The Sorcerer’s Apprentice.’ I also enjoy talking with them about Indonesia, my hometown. I love to share my favorite places and show them why it’s such a special place.”

- Helda Simatupang,
Stateroom Steward

“On a yacht this size I can get to know our guests personally and find ways to tailor the experience to them. They reward me every day just by smiling at small gestures I don’t think twice about, like checking to make sure their luggage made it to their room. I enjoy spending time with them. They’re often surprised when they sail with us again and I still remember their names — and often their favorite cocktails!”

- Lulian Petrasuc,
Hotel General Manager

“Who wouldn’t love getting to work on beautiful yachts like these every day? Our guests aren’t just our customers, they’re great people — avid travelers and adventurers who are very interesting. I really enjoy our Open Bridge and having the chance to chat with them over navigational charts. Most other ships would never let guests do that. An added bonus — I get to learn even more about the world by listening to our guests’ travel adventures.”

- Belinda Bennett, Captain

MAKING A DIFFERENCE ONE DETAIL AT A TIME

We know the way to truly unforgettable travel experiences — and we couldn't do it without the world's most exceptional crew. For them, hospitality is more than a job; it's their passion. And the more you enjoy your voyage, the more they enjoy serving you. They notice things others might not — your affection for turn-down chocolates, for instance, resulting in extra sweets magically appearing on your pillow. And they'll be delighted to direct you to their favorite restaurants, beaches, and shops ashore so you can make the most of your time in port. It's a talent that can't be taught, because it comes straight from the heart.

THAT WINDSTAR

THE CONVIVIAL ATMOSPHERE on board is instantly inviting and comfortable. Our friendly crew members make it their mission to provide you with hospitality as memorable as our destinations. You'll find it natural to strike up conversations with crew and guests alike. Come. Discover for yourself what makes Windstar so special.

MAGIC

OUR STANDARD SERVICES ARE ANYTHING BUT STANDARD

There's something about being on a Windstar cruise that's so special, yet so hard to put your finger on. Is it our attentive crew? Yes! Is it our focus on exceeding your expectations? Yes! What makes Windstar 180 degrees from ordinary is built into our culture of hospitality; it's literally built into our yachts.

For example, every yacht in our fleet features a Watersports Platform that lets you jump right from the stern and into the ocean, making it perfect for warm-water adventures. Enjoy complimentary water toys like paddle boards and kayaks, or just sun yourself on our floating islands. We're the only cruise line welcoming guests on to an Open Bridge, where they can pop in to watch the Captain and crew at work, and learn about chart navigation — no reservation needed.

No appointments necessary to join our chef on market tours, either. You're invited to come along as our chefs seek out local flavors and ingredients as they make their way from port to plate.

CAREFULLY

BEHIND EVERY ITINERARY

KELLY HUBBARD

As Director of Product Development Kelly's focus

is a global one, overseeing all shore excursions, destination engagement, enrichment, and pre- and post-cruise operations. When it comes to shore excursions, she's tasked with ensuring our tour program is not simply "off the shelf" but is more hand curated. As Kelly puts it, "It's important for our guests to understand that our tour experiences are created and tweaked just for them."

MICHELE HANSON

Michele has over 15 years' experience in the cruise

and travel industry with a focus on product development and itinerary planning. She travels throughout Alaska, Northern Europe, Canada & New England, and the Caribbean looking for the most unique and authentic tours — like an America's Cup sailboat racing experience in St. Maarten or a helicopter fjord adventure in Norway.

MELISSA WITSOE

Product Manager Melissa Witsoe is our resident

expert on the Mediterranean and the South Pacific. With more than 22 years of experience in the cruise and travel industry she knows what appeals to today's traveler. Some of her favorite excursion finds include a gourmet experience in Sorrento, Italy, and a Chianti cruise tour in Rome. "As Product Managers we eat, tour, and travel with our local contacts to see what they don't see because it's part of their everyday life."

TRAVIS LAMARCHE

Travis is our Operations Manager & Corporate

Destination Manager Trainer — supporting our Destination Team at sea and our Product Managers in Seattle. It's a role he's well trained for, with a decade of experience at sea and over 15 years in the industry in areas from product development to public speaking. He's a good listener, too. "My favorite part of my job is meeting and talking to guests, hearing why they love Windstar, and listening to their stories about past adventures."

WE SURPRISE AND DELIGHT

One of the big benefits of our small yachts is how close they can get you to the types of authentic experiences you're looking for. Smaller excursion groups, often led by local experts themselves, ensure deeper insider access behind intriguing local topics. Snorkel with whale sharks and dolphins off the coast of La Paz. Get closer with a kayak launched directly from the yacht on one of our Signature Expeditions in Alaska. Sample tree-to-bar Granadian chocolate as you explore a cacao farm in a former rum distillery. Our carefully curated onboard lecturers further deepen and enhance your experiences with insight into the region's different cultures.

CURATED FOR CAREFREE ADVENTURES

RICKY TRAUTWEIN

Meet Product Manager Ricky Trautwein.

When it comes to developing Windstar-quality shore excursions in Spanish speaking countries, Ricky is our go-to guy. In college, he earned a degree in Spanish and studied abroad in Seville, where he fell in love with the country and the culture. That, plus his 10 years of experience in Travel & Hospitality, make him the perfect choice for coordinating in-depth cultural experiences in Central America, Iberia, and beyond.

THERE IS NO “TYPICAL” EXCURSION

Unless you think an excursion to try Viking sushi is typical, our shore excursions are incomparable, once-in-a-lifetime adventures. We will help you select shore experiences that are suited to you. On many voyages you'll discover excursions to UNESCO World Heritage Sites, so chosen for their outstanding cultural or natural value to humanity. Other opportunities focus on a region's diverse and unique wildlife, or have been selected to appeal to foodies, history buffs and active adventurers. From archaeological wonders to regional wine tastings, discover an unparalleled way to experience other lands and see the world from a new perspective — designed by a team who have already been there and done that.

LEARN WHAT LOCALS

WINDSTAR'S SHORE EXCURSIONS LET YOU GET TO THE HEART OF LOCAL CULTURES

You want to do more than see the sights — you want to invest all your senses and immerse yourself in local culture, just as a local would. That's exactly what Windstar shore excursions are designed to do. Our excursions are created to provide authentic local experiences — the kind travelers, like you, are looking for. And with more than 2,000 curated excursions to choose from, you can experience your destination in whatever way is most meaningful to you. On each excursion, you'll have ample opportunity to engage with locals and learn about the area from their point of view.

WE KNOW YOU'LL WANT TO GO, BECAUSE WE'VE ALREADY BEEN

We can promise you'll enjoy truly authentic experiences, because we've personally vetted all our excursions for you first. Our Product Development Team travels to each destination and personally curates each shore excursion to make sure it makes the grade.

We travel in small groups, so we can adjust tours in real time based on guest feedback, whether that means finding a different place for lunch or spending more time at a particularly fascinating historical site. We take the time and make the trip because we want your travels to be unforgettable.

KNOW

JUST WHAT YOU'RE LOOKING FOR

Choosing the right excursion is easier than ever – just pick the tier that's right for you.

ESSENTIALS COLLECTION

Essential excursions are for first-time visitors who want to see the must-see sights or get a panoramic overview of the area.

CONCIERGE COLLECTION

Concierge tours are hands-on experiences revolving around cultural and culinary themes. They're limited to small groups, typically 6 to 16.

BEYOND ORDINARY COLLECTION

Beyond Ordinary offerings are just that – unique, exclusive, once-in-a-lifetime opportunities for the most discerning travelers.

MANY OF THE WORLD'S MOST CELEBRATED RESTAURANTS

might call it madness to change their entire dinner menu every day. Madness? We simply call it the Windstar way. Many menus change daily, so you'll never eat the same exact thing (unless you truly want to). Amphora's menu also features dishes created by a James Beard Foundation affiliated chef who has sailed with us before. Our onboard chefs will often integrate fresh ingredients, spices, and flavors picked up in port during their trip to the local market. It's just one more way we help you devour local life and community, and whet your appetite for travel.

GLOBAL FLAVORS FROM PORT

FABULOUS MEALS DESERVE FABULOUS WINES

Peter Tobler, Windstar's Director of Food & Beverage Operations, put his 30+ years of hospitality, travel, and cruise experience to work curating Windstar's wine list, with a goal of including a variety of profile preferences, price points, and regions. The robust menu features nearly 100 wines from 46 regions and 10 countries, including selections from places such as Argentina and Australia.

PAIRING

FINE DINING HAS ALWAYS BEEN ONE OF THE PILLARS OF THE WINDSTAR EXPERIENCE

Now guests can dine on dishes created by not just one celebrity chef, but by a list of all-stars recognized by the James Beard Foundation, an organization committed to celebrating, nurturing and honoring chefs and other leaders making America's food culture more delicious, diverse and sustainable for everyone. This partnership also extends beyond the dining room to a wide range of culinary events and activities that help guests connect more intimately with local cultures.

The James Beard Foundation nominates and chooses winners of the James Beard Awards, referred to as the "Oscars" of the restaurant industry. As the *Official Cruise Line of the James Beard Foundation*, we're able to work with some of the best chefs to create the extraordinary dishes on our nightly menu and in our culinary demos. Nearly three dozen chefs have sailed with us on our culinary-themed cruises.

WHAT ALL OUR SHIPS HAVE IN COMMON IS NOT COMMON AT ALL

You can slip past the crowds to discover smaller ports and get to know the local culture on more intimate excursions. We offer two different yacht styles — the sailing Wind and engine-propelled Star Plus — with custom-crafted journeys that highlight their unique attributes, whether island-hopping in Tahiti or cruising the Norwegian fjords. No wonder Windstar was voted the World's Best midsize-ship ocean cruise line by the readers of *Travel + Leisure* in 2021.

THE PERFECT

NEW ALL-SUITE STAR PLUS YACHTS

We call them the all-suite Star Plus, because it takes everything guests love about private yacht-style cruising to the next level. The entire yacht has been transformed end to end by a \$250 million investment, with almost everything upgraded, including the engines — making them reimagined from the inside out. You get even more suites to choose from, more amenities on deck, and more to explore on board.

Star Breeze, *Star Legend*, and *Star Pride* feature spacious ocean view suites of 277 square feet or more for the standard stateroom. Each serves only 312 travelers per voyage, ensuring excellent personalized service thanks to a high

crew-to-guest ratio. Dine at two new restaurants developed by a 10-time Michelin starred chef and the global grilling authority. Lounge in the elevated infinity pool that serves as the centerpiece of our deck and relax in the *World Spa* by *Windstar* with locally inspired treatments.

YOUR YACHT. YOUR CHOICE.

All staterooms and suites offer ocean views designed with scenic cruising in mind. Special touches such as L'Occitane® bath amenities, and waffle weave robes and slippers turn your room into a private oasis. With three world-class restaurants — *Amphora*, *Veranda*, and *Candles* — and the most personalized service at sea, you have everything you need right on board. Our yachts boast ample decks and a Watersports Platform that lets you jump right into the ocean.

YACHT FOR YOUR CRUISING STYLE

THE CLASSIC WIND YACHTS

With the iconic white sails billowing in the wind, bringing guests back to the true romance of sailing, these are the classic sailing yachts for which Windstar is known.

An abundance of wide-open decks and elegant outdoor spaces make our three Wind yachts the perfect way to experience warm seas and tropical breezes.

Enhanced in November 2019, *Wind Surf* is the world's largest sailing vessel, carrying up to 342 guests. *Wind Star* and *Wind Spirit* each carry just 148 guests — designed to sail quietly past larger cruise ships and into secret lagoons and near the most secluded beaches.

THE NEW ALL-SUITE STAR PLUS HAS ARRIVED, bringing with it even more of what guests love about our private yacht style cruise experience. It's the result of a \$250 million end-to-end transformation of our all-suite Star Plus yachts, formerly the Star Class: Star Breeze, Star Legend, and Star Pride. Serving only 312 guests, these small yet spacious all-suite yachts now offer beautifully redone ocean view balcony suites with new roomier options, two new world-class restaurants created by renowned chefs, expanded public spaces, and even more high-end amenities.

Wish you had a second writing desk in your suite, or a special flower arrangement and champagne to celebrate an anniversary? As a Premium Suite guest you'll receive the personal attention of the Hotel General Manager, who will introduce himself or herself when you board and oversee your stay to ensure that you have everything you need and desire.

You'll also be treated to preferred seating and reservations in our specialty restaurant venues and preferred check-in — our way of acknowledging how much we appreciate having you as an elite member of the Windstar family.

AMENITIES TO PLEASE AND DELIGHT YOU

It's not just at meal times that you'll feel pampered and appreciated. We pride ourselves on making all the little moments of your stay special too. Board the yacht to find a local fresh flower bouquet in your suite. Breathe in the soothing fragrance of orchids or potpourri as you soak in the tub. Take your pick of fresh produce including fruit and berries in a larger and more diverse fruit basket. Connect with your friends and family with complimentary Wi-Fi. And enjoy the daily convenience of an in-suite espresso machine and binoculars.

It's a level of pampering that's unequalled, and it's available exclusively with Premium Suites.

LOCAL LECTURES & PERFORMANCES BROUGHT ON BOARD JUST FOR YOU

You didn't just come here for the pictures, you came to experience other cultures in personal ways that enhance your understanding — and we don't think those interactions should end at the gangplank. That's why we continue your cultural immersion beyond your time in port, bringing local performers and destination-savvy lecturers on board to help you form deeper connections with the places you visit. It's all part of our promise to deliver destinations in ways no one else can.

Learn About Their Cuisine

Pesto sauce originated in Genoa in the 16th century and has become a staple of Italian cuisine. The preparation

is key to its flavor as the basil must be ground and not crushed. Try your hand at making this traditional sauce the authentic way as we bring aboard an expert Ligurian chef.

Learn How They Tell Stories

The Naa Kahidi Dancers of Sitka, Alaska, are comprised of indigenous members from various Tlingit

dance groups. Watch them perform storytelling songs and dances that have been passed down through generations, then enjoy a photo opportunity with the costumed dancers.

Learn Their Ancient Arts

Learn to make your own lei, given as a symbol of hospitality and welcome when you arrive in Tahiti. Listen to a tattoo master explain the

traditional process of determining the design for a tattoo and what it meant to mark his body.

HERE AT WINDSTAR CRUISES, THE HEALTH AND SAFETY OF EVERYONE ON BOARD IS A TOP PRIORITY

The Beyond Ordinary Care program is a multi-layered strategy with key hospital-grade elements: HEPA filters and UV-C ultraviolet germicidal irradiation to filter and disinfect the air, plus electrostatic sprayers to sanitize all surfaces throughout the yacht.

THE BEYOND ORDINARY

CARE PROGRAM

WE HAVE MADE A MULTI-MILLION DOLLAR INVESTMENT in our fleet in an effort to provide a healthy environment while sailing on a Windstar yacht. Hospital grade high-efficiency particulate (HEPA) filters along with a UV-C air zapping process (ultraviolet germicidal irradiation) have been installed on board all Windstar yachts.

Our Beyond Ordinary Care program was developed with consultation and review by the Senior Medical Director in the UC Health Infection Control and Prevention Department at the University of Colorado School of Medicine and implements a rigorous multi-layered approach of science-led best practices aimed at keeping everyone aboard healthy.

CRUISING IS THE IDEAL WAY to experience coastal areas and port towns. But sometimes there are highlights inland that call your name too, in regions you may only get to once in a lifetime. Windstar Cruise Tours offer the perfect solution, combining your favorite cruise itineraries with adventures further afield to must-see places like Denali National Park and Meteora. Best of all, you can rely on Windstar to handle all of your Cruise Tour's land logistics with the same care and attention to detail they show on your cruise, including tickets to attractions, land transportation, hotel accommodations, select meals, and more.

We've curated these Cruise Tours to show off the very best of a region, and have personally vetted every selection to make sure it's up to Windstar standards. In some cases we even include meals in particularly noteworthy restaurants that do a great job featuring local cuisine.

When you've already traveled a long distance to see a region, it only makes sense to make the most of the opportunity. Let a Windstar Cruise Tour make that task effortless, just like it does your Windstar cruise.

While every voyage introduces guests to must-see places in innovative and authentic ways, some stand out for their breadth and depth of discovery.

This curated collection features limited sailings that are singular for the sheer number of UNESCO World Heritage Sites visited, variety of landscapes explored, and menu of regional delicacies tasted and bottles poured. Each has been carefully designed to showcase the richness of the regions and we've asked our experts — everyone from yacht Captains to our President — who provide insights on the region and reasons why a particular voyage will redefine your bucket list.

JOIN US FOR OUR INAUGURAL JOURNEYS to the Land Down Under. Dive the Great Barrier Reef into waters every shade of blue. Cruise fiords surrounded by every shade of green. Sip fine wines born of volcanic soil, austral sunshine, and ocean breezes off the Tasman Sea. Find yourself at the Sydney Opera House one day, in a tiny Indigenous community learning to play the didgeridoo or chanting a Haka the next. Head off the beaten path to undeveloped islands where the only way ashore is to beach your Zodiac and walk through the surf, what we call “wet landings.” See all the weird and wonderful creatures you’ve heard so much about and make the walkabout your own.

NEW Comprehensive New Zealand	54	NEW Wildlife & Wines of New Zealand	55	NEW Australia & New Zealand Star Collector Voyages	57

WINDSTAR'S FAVORITE FIVE:

- Middle Percy Island, Australia
- Freycinet National Park, Tasmania
- Airlie Beach, Australia
- Fiordland National Park, New Zealand
- Picton, New Zealand

FIORDS TO FINE

WHY WINDSTAR'S AUSTRALIA & NEW ZEALAND:

- Make the most of your trip to the southern hemisphere with our comprehensive itineraries to New Zealand and Australia
- Visit small, rarely visited ports of call like Middle Percy Island and Thursday Island
- Overnight in exhilarating cities like Wellington, and Sydney, plus a late-night departure in Melbourne
- Explore the Great Barrier Reef and the Daintree Rainforest on a Cruise Tour
- Get to know outrageously beautiful Tasmania with visits to two cities, Burnie and Hobart

FEATURED PORTS:

Port Douglas, Queensland, Australia – This little slice of heaven rewards guests with a gorgeous palm-fringed beach bordered by azure waters and a seaside resort infused with charm and history. Venture out to either of two sensational UNESCO World Heritage Sites – Daintree, the oldest rainforest on earth, and the Great Barrier Reef, the planet's largest coral reef system. Go on a crocodile cruise. Or on an Aboriginal guide-led walkabout in the rainforest and learn about the tribes who have historically made their home here.

Hobart, Tasmania, Australia – When most people think of Tasmania they think of lush foliage, wilderness, and crazy wildlife. And it's true – you'll find all that here. But in Hobart you'll also find a sophisticated farm-to-table food scene, fine local wines and craft beers, perfectly preserved Georgian warehouses, and nearby, the UNESCO World Heritage Site of Port Arthur, a historic penal facility used by the British Empire until 1877. That's a lot of attractions for a tiny island state, and makes for some difficult choices when you come ashore.

SURF BOARDS AND FIORDS. *Penal colonies and penguins. Flightless kiwi birds and kiwi fruit with fur. The Land Down Under is full of conundrums for you to explore as Windstar pays its inaugural visit to Australia and New Zealand. Natural wonders take your breath away – the Great Barrier Reef, Fiordland National Park, lush Whitehaven Beach. Others make your mouth water. Taste fine local wines in iconic cities, then head off the beaten track to taste Bluff oysters and Kaikoura crayfish. Make a grand entrance into Auckland, City of Sails, on your elegant yacht, and unheralded wet landings on tiny islands. Sit side-by-side with Maoris and Torres Strait Islanders, as you listen to stories passed down through generations. Explore postcard-pretty Tasmania from its old-growth forests to historic Middle Percy Island. From unusual wildlife to world-class cities, we've got it all.*

WINES

FEATURED SHORE EXCURSIONS:

Burnie: Countryside & Wildlife – Burnie is the gateway to Tasmania's wilderness, and you'll pass through rolling green hills and rural farmland on your way to Wings Wildlife Park along the beautiful Leven River. This land has been in the same family for seven generations, and the park displays the largest collection of Tasmanian wildlife in Australia. There are over 150 species of animals here, including Tasmanian devils, wombats, wallabies, quolls, and koalas – all in their lush, natural surroundings.

Napier: Countryside & Private Home Visit – Fertile soil and a temperate climate have made the picturesque Hawke's Bay countryside one of New Zealand's leading wine producers, and you'll have the chance to taste some splendid organic wines at a boutique winery before exploring the Puketapu and Dartmoor growing regions. After your tasting, head to Horsford Downs to meet your hosts Hamish and Diane, and join them for light refreshments in their beautifully landscaped garden.

YOUR CRUISE TOUR DAY-TO-DAY SNAPSHOTS

Colored descriptions indicate land tour portion.

DAY 1 • CAIRNS TO PORT DOUGLAS

Settle into your treehouse bungalow at Port Douglas' Thala Beach Nature Reserve Resort, a 4.5-star luxury resort on a private headland. Spend the rest of the day on your own — complimentary activities vary but may include guided nature or garden walks, bird and butterfly walks, conversations with the local Aboriginal community, and sea kayaking. End the day with dinner at the treetop restaurant and stargazing from the resort's custom-built outdoor observatory.

(Includes overnight at Thala Beach Nature Reserve bungalow and transfer from airport.)

DAY 2 • DAINTREE RAINFOREST & CAPE TRIBULATION

UNESCO-inscribed Daintree Rainforest is the oldest rainforest on the planet, noteworthy for its complex ecosystem and a lush beauty that's said to have inspired the movie *Avatar*. Stroll the boardwalk from the Kulki Lookout to Cape Tribulation where Daintree and the Great Barrier Reef converge. Watch for crocodiles and other creatures on a rainforest river cruise, then meet some human rainforest residents at the Mossman Gorge Center, cultural hub of the Kuku Yalanji Indigenous people.

(Includes breakfast at the hotel, lunch, and overnight at Thala Beach Resort.)

DAY 3 • GREAT BARRIER REEF

Your full day at the Great Barrier Reef begins with a boat ride to the less-frequented outer reef — an area rich with coral, fish, dolphins, stingrays, and turtles. You'll have plenty of time to snorkel and swim, meeting species such as the iconic parrotfish.

(Includes breakfast at the hotel, lunch, and overnight at Thala Beach Resort.)

DAY 4 • CAIRNS TO MELBOURNE, AUSTRALIA

It's a travel day to Melbourne where the evening is at your leisure.

(Includes breakfast at the hotel, and overnight at the Stamford Plaza Melbourne Hotel.)

Great Barrier Reef

**DAY 5 • MELBOURNE, AUSTRALIA**

The capital and most populated city of the state of Victoria, Melbourne is located on the large natural bay of Port Philip. The abundance of parks and gardens here has resulted in Melbourne being referred to as Australia's "Garden City."

(Includes breakfast at the hotel and transfer to the yacht.)

DAY 6 • BURNIE, TASMANIA, AUSTRALIA

Despite its small size, this tiny Taz town has lots of restaurants and cafés to tempt you, along with lovely gardens, parks, and art deco architecture.

DAY 7 • FREYCINET NATIONAL PARK, AUSTRALIA

Jutting out into the sea on Tasmania's east coast is the ruggedly beautiful Freycinet Peninsula. Its pink granite mountains surge up out of turquoise bays, while other bays are fringed by curvaceous white beaches.

DAY 8 • HOBART, TASMANIA, AUSTRALIA

The capital of Tasmania has a palpable colonial identity, and any decent walkabout will lead you to historic 19th century buildings. You'll find them in the city center, along the waterfront where elegant Georgian sandstone warehouses once held exports like fruit and whale oil, and at well-preserved Battery Point where the well-heeled built grand mansions.

DAYS 9/10 • AT SEA**DAY 11 • SCENIC CRUISING FIORDLAND NATIONAL PARK, NEW ZEALAND**

This is one day you won't want to sleep in. Shimmering waterfalls, primeval forest, playful marine life — this serene UNESCO wilderness is dazzling in its beauty.

DAY 12 • BLUFF, NEW ZEALAND

This small town is the country's closest port to Australia, making it an access point for immigrants: something that may account for the hint of a Scottish burr in the local dialect. World famous for Bluff Oysters, the city is also the gateway to Stewart Island with its rare kiwis.

DAY 13 • PORT CHALMERS (DUNEDIN), NEW ZEALAND

Scottish Dunedin offers the best of both worlds. Take in grand Victorian and Edwardian buildings like the iconic Railway Station and New Zealand's only castle. Head to the Otago Peninsula to see rare yellow-eyed penguins. Or ride a historic train through spectacular Taieri Gorge.

DAY 14 • LYTTELTON (CHRISTCHURCH), NEW ZEALAND

If Dunedin is a bit of Scotland then Christchurch is a bit of England, right down to the Avon River flowing through the city and its plethora of parks and gardens. The Botanical Garden is well worth a trip, or set your sights on a different terrain. This city

has been a gateway to the Antarctic since the early 1900s, and you can gain insight into the frozen frontier at the International Antarctic Center.

DAY 15 • WELLINGTON, NEW ZEALAND

The capital of New Zealand spreads across the shores of a wide harbor and up steep hills. It's a great city for food lovers, claiming to have more places to eat and drink per capita than New York City.

DAY 16 • PICTON, NEW ZEALAND

As the gateway to the Marlborough region with their delicious sauvignon blanc wines, Picton is a foodies delight. Indulge your taste buds with their famous green-lipped mussels, indigenous to the region, and their refreshing white wine.

DAY 17 • AT SEA**DAY 18 • TAURANGA, NEW ZEALAND**

Beautiful Tauranga is the home of The Shire where many scenes were filmed for *Lord of the Rings* and *The Hobbit* movies. Another attraction is the Waitomo Glowworm Caves with a glowworm species exclusive to this area.

DAY 19 • AUCKLAND, NEW ZEALAND

End your Cruise Tour in the "City of Sails," a multicultural city enriched by more than 180 ethnic groups.

Ende, Flores

THEY CAME IN OUTRIGGER CANOES not knowing what lay ahead. Steering by sun, moon, and stars, they arrived in these far-flung islands and developed cultures that continue to astound. Fijians who walk on fire. Huahine's stone fish traps still in use after hundreds of years. They pushed on further still – to remote islands in the Tuamotus where copra and pearl farming are still a way of life, to Rarotonga, the source of Maori culture, and to Tonga, known for its friendly hospitality and its rich cultural inheritance. Feel the tingle of kava on your lips and realize these cultures are so much deeper and richer than you ever imagined.

FEATURED PORTS:

Fakarava Biosphere Reserve – Here is a rare opportunity to experience one of earth's most beautiful – and most remote – places. Fakarava's ecosystem is so diverse it has been named a UNESCO Biosphere Reserve, a world of magnificent cauliflower coral, sleek grey sharks, and neon schools of tropical fish. On shore, bougainvillea-lined roads lead past historic lighthouses, and small villages. And with only 800 residents, most of them pearl and copra (coconut) farmers, you'll find plenty of secluded beaches you can call your own.

Savusavu, Fiji – Known as "the hidden paradise of Fiji," beautiful Savusavu with its abundance of waterfalls, hiking trails, rainforests and black pearls, has recently been realized to be a tourist hotspot. The shabby-chic main street is a hodgepodge of eclectic watering holes, a bustling market, and a variety of shops and cosmopolitan restaurants. Find a black pearl farm, see the Vuadomo and Nakawaga Waterfalls or kayak, snorkel, sail, fish or take an easy hike. Bula!

THE SOUTH PACIFIC'S SCATTERED ISLAND NATIONS bring to mind the breathtaking beaches and peacock-colored lagoons of Tahiti, but they also contain the most diverse indigenous cultures in the world. Come with us as we travel beyond the packaged resorts to experience a world few get to see. Go back to the way things used to be on tiny Niue or Savusavu, with no crowds, only twinkling stars at night, and a pace of life many years for. Discover villages that still follow traditional ways of life on Rangiroa or Tonga. Explore small Fijian communities and the untouched rainforest of the Wasali Nature Reserve near Savusavu. Add context to the postcard images the South Pacific is known for.

DIVERSITY

FEATURED SHORE EXCURSIONS:

Tahaa: Tahaa Vanilla Plantation & Snorkeling – Tahaa, a flower-shaped island that’s as fragrant as it is beautiful. Often called “the vanilla island,” Tahaa produces 80 percent of all Tahitian vanilla in a labor-intensive process that will make you appreciate all the more its delicious aromatic flavor. Boat across the lagoon to a small family plantation and learn how it’s done, from hand-pollinating the orchid blossoms (which only live for 6 hours) to hand-massaging and aging the beans – a process that can take up to 9 months.

Moorea: Photographer’s Eye View of Moorea – Believed to have been the inspiration for James Michener’s *Bali Hai*, and today, you’ll learn how to capture that beauty under the tutelage of an accomplished professional photographer. Journey into the stunning interior by 4x4 and on foot, skirting large pineapple fields, beautiful gardens and a turquoise-blue lagoon. Some of your favorite shots may come from some unusual places, like Papetoai fishing village, Haapiti Catholic Church, or the interior of Moorea Crater.

COMPLIMENTARY WINDSTAR DESTINATION DISCOVERY EVENT

BORA BORA: CELEBRATION FESTIVAL

Windstar Exclusive: Guests on every Windstar Tahiti cruise are treated to a complimentary Bora Bora Celebration Festival on a lovely private motu, complete with Tahitian fire dancers and local cuisine.

WELCOME TO YOUR MAGICAL MOTU. The enchantment begins as you step ashore to receive a fragrant flower lei, and continues as you feast on a menu carefully chosen by Windstar's executive chef – delicious barbecue favorites plus traditional island dishes like poisson cru and po'e.

When the sun goes down, the curtain rises and you are whisked back to the days of old when fire dancers from mountain villages used war clubs in their performances to demonstrate their prowess in battle.

LISTEN TO THE FIRE TALK. Fire dancing is found throughout the world, but perhaps nowhere has it taken on greater significance than in the South Pacific. With no written language, early Polynesians relied on oral traditions and dance to pass on their heritage. Ancient fire dances were also often a part of pre-battle rituals, helping warriors prepare for the combat ahead.

The speed and acrobatic prowess of the performers takes your breath away as they write messages to the gods against the night sky. The beating fa'atete drums quicken your pulse, and the heat is so intense you can feel it even from 10 feet away. As the performance ends you are left in awe, with memories burning as bright as the dancing flames.

DREAMS OF TAHITI

PAPEETE TO PAPEETE | 7 DAYS

A graceful yacht is the perfect way to experience the true wonder of Tahiti. We'll visit one legendary island after another, with plenty of casual time to swim and snorkel in crystal-clear lagoons, meander through lush rainforests, and experience the fascinating Polynesian culture from tikis to tiare flowers.

HARVEST YOUR OWN BLACK PEARL

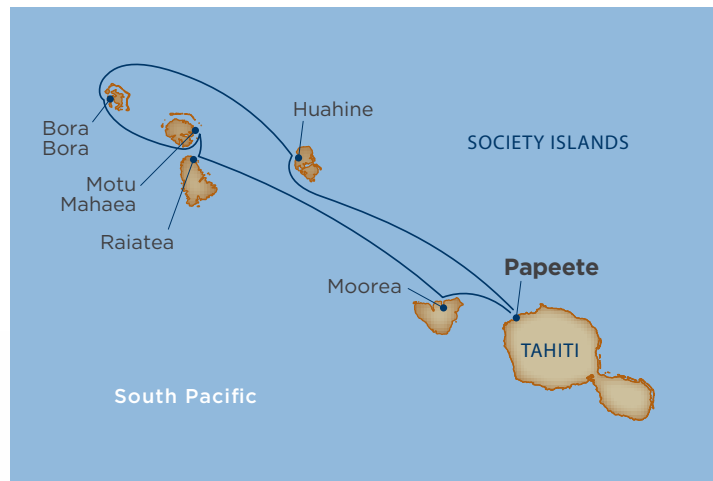

We were transported from the yacht on the island of Raiatea to a local boat wharf, and taken by skiff to an over-water reef house. Our group was met with cold Hinano (local) beer and fresh slices of coconut, to further herald our arrival to this outpost of stunning, 360 degree beauty. Our guide, Summer Rotu, a San Diego native who manages Anapa Pearl Farm, then gave us a lesson in how pearls are farmed, what goes in to creating such lovely and unique jewelry, and how the cultivation of black pearls is a major part of the economy in French Polynesia.

Summer then outfitted our small group with snorkel equipment, and we were set loose to explore the underground workings of a pearl farm. Summer then announced the most exciting game of "hide and

seek" we'd ever played: she'd hidden four oysters, all which might contain a black pearl, around the reef house. We dove, splashed, and delighted in finding our oysters, eager to see what was inside.

The pearl grafter (who works to inseminate oysters and harvest their pearls) then opened our treasures, and we were all delighted at what we found. Our pearls were beautiful, many quite large and unique in their coloring with the rarest of "bronzes" eliciting many ooh's and aaah's.

French Polynesia is known as one of the best places to dive in the world. The water is a warm 79 to 84°F year round, and thanks to visibility of up to 150 feet, you'll enjoy amazing views of coral, wrecks, and sea life. Windstar has curated shore excursions that will give you the best of underwater Tahiti.

BEGINNING SCUBA: This program is for the guest who wants to experience SCUBA diving for the first time, or for the guest with no dive certification. Receive plenty of personal attention to help you feel at ease with the equipment before heading out to sea to enjoy an easy ocean dive perfect for beginners. All equipment is provided.

ONE- OR TWO-TANK DIVES: Certified Divers looking to explore the South Pacific's amazing underwater world can choose either a one- or two-tank dive. Choices include wall dives, lagoon dives, canyon dives, and even wreck dives.

GUIDED SNORKELING: Experience the colorful world of tropical fish and coral formations without the need for SCUBA gear on these guided adventures from a boat or from shore. Float above the coral or drift snorkel along the reef in water too deep to stand in. You never know what creatures might appear, but common residents include harmless sharks, dolphins, parrot fish, triggerfish, and stingrays. All snorkel equipment included (mask, fins, and snorkel).

SENSES REEL IN ASIAN ARCHIPELAGOS. *Brace yourself for the taste of nutmeg fresh off the tree, sizzling satay, the chatter of a crowded fish market, and Buddhas painted in bright kimono colors. For luminous green subterranean rivers, earth-hued batiks, proboscis monkeys, and coral more alive and vibrant than any you've seen. For the Seto Inland Sea where few travelers go but those who do find ports trapped in amber, and for the climb to the top of Borobudur where the view doesn't just amaze, it transforms. When you feel you simply can't absorb any more, make your way to blissful humpbacked islands that clear your mind like a cracker cleans a palate.*

FEATURED PORTS:

Okinawa, Japan – The beautiful subtropical islands of Okinawa have a culture all their own. A long history of trade when it was part of the Ryukyu Kingdom has infused the culture with foreign influences. See hints of China in the 14th century Shuri Castle, a UNESCO World Heritage Site. Shop for hand-dyed bingata cloth, originally reserved for court ladies, or Ryukyu glass, once made from the old bottles discarded by U.S. troops. Even the language, music, and cuisine are distinct from the rest of Japan.

Makassar, Indonesia – Merchant vessels from China, India and Cambodia called in Makassar to trade in silks, tea, and porcelain in exchange for cloves, nutmeg, gold, and pearls. When Europeans discovered the sailing route to the coveted Spice Islands, the Spanish and Portuguese used Makassar to store valuable spices before shipment to Europe. See remnants of this colonial past at old Fort Rotterdam, and in Paotere Harbour, where the famous Bugis Phinisi schooners still play a vital role in inter-island trade.

EXPLORE ALL THE MOODS OF ASIA: *Remote tropical islands at the fringes of Indonesia and the Philippines, wondrous Borobudur with its bell-shaped stupa, wildlife from Komodo dragons to orangutans, the neon glare of Hong Kong and Singapore. Set course for the Seto Inland Sea, Japan's secret Mediterranean, where rustic islands boast forgotten shrines and picturesque water towns. And discover the breadth of Japan from tranquil Edo-period gardens to fluttering paper cranes, heated sand baths to decadent Kobe beef.*

FEATURED SHORE EXCURSIONS:

Takamatsu: Udon Noodle – Sanuki is the old name of Kagawa Prefecture, a region famous for its udon noodles, popular noodles made from wheat flour. This area has more udon restaurants per capita than anywhere else in Japan, and foodies travel here from all over to taste the recipe brought from China centuries ago. First, work up your appetite with a stroll through beautiful Ritsurin Garden, awarded three stars in the Michelin Green Guide Japan. Then, roll up your sleeves and try making the signature dish for yourself at Nakano Udon School.

Bandar Seri Begawan: The Regalia, Water Village & Cruise – Visit the immense Tamu Kianggeh open air market located on the banks of the Kianggeh River in the heart of Brunei's capital. Cruise to Pulau Rangu and keep a keen eye out for the elusive Proboscis monkeys that make their home here. Your cruise will take you to Kampong Ayer, a series of colorful villages built on stilts over water. Tour the breathtaking Royal Regalia Museum, home to Brunei's Crown Regalia, and the Istana Nurul Iman (The Royal Palace).

Meander among East Asian relics and prehistoric stone tools in Busan's museums, ornate temples and royal tombs in Gyeongju, one of South Korea's most famous UNESCO World Heritage Sites. Sip steamy green tea in the peaceful shade of chestnut trees near the scenic Ritsurin Garden in Takamatsu City, or participate in the ancient rituals of a formal tea ceremony. Examine Kyoto's majestic temples and storied Nijo Castle in detail as part of a 2-night inland stay, or explore the Zen temple of Tenryuji in scenic and peaceful Arashiyama, one of the most popular destinations in the city. It's a perfect journey for those who love Japan, and adventurous travelers who want to go further inland to explore the distinctive culture and history of Kyoto.

YOUR CRUISE TOUR DAY-TO-DAY SNAPSHOTS

Colored descriptions indicate land tour portion.

DAY 1 • TOKYO, JAPAN

There are as many Tokyos to discover as there are interests. Cuisine? It has more Michelin stars than any other city. Culture? Kabuki theater and sumo wrestling are just the beginning. Shopping? The posh boutiques of Ginza lie on one end of the spectrum, workshops that hand-craft samurai swords at the other.

DAY 2 • SHIMIZU, JAPAN

Frame the perfect portrait of Mount Fuji from a hundred perfect angles, or just

savor its symmetry sans lens. Either way, consider your day here well spent.

DAY 3 • SHINGU, JAPAN

Pilgrims have been climbing the Kii Mountain Range for a thousand years, but few visitors to Japan even know about the trio of sacred shrines that compose this UNESCO World Heritage Site. The most striking, Kumanonachi Taisha, includes a fiery orange pagoda posing next to Nachi Falls, the tallest waterfall in Japan. Don't fail to turn around and look back down the often mist-shrouded valley.

WHAT'S INCLUDED

- Guided tours of Osaka UNESCO sites, including the stunning Kasuga Taisha Shrine with its 3,000 lights, and the Todaiji Temple, housing the world's largest bronze Buddha
- Guided tours of the brilliant gold leafed Kinkaku-ji (the Golden Pavilion) and nightingale floored Nijo Castle — two of the most popular UNESCO sites in Kyoto
- Spend 2 hotel nights at the centrally located Intercontinental Osaka, in the heart of the business district
- Don a kimono and take part in a Traditional Tea Ceremony where you will learn the intricacies of how to prepare, serve, and drink matcha
- All transfers to and from the various included sites
- 9- or 10-day cruise aboard newly transformed all-suite *Star Breeze* from Tokyo to Osaka, or reverse

DAY 4 • AT SEA

DAY 5 • KAGOSHIMA, JAPAN

This castle town with its signature Sakurajima Volcano dates to the 14th century. Time-travel back to the days of the samurai in Chiran's picturesque samurai district, its views unsullied by telephone poles or parked cars. Go "sand bathing" in the naturally heated sands of Ibusuki.

Busan, South Korea

Wagyu beef

**DAY 6 • SCENIC CRUISING
HASHIMA ISLAND/NAGASAKI**

Cruise around the island of Hashima, abandoned over 50 years ago when the coal mining that flourished there suddenly ran out. The mining company shut the mine down and the island has been a ghost town ever since.

DAY 7 • BUSAN, SOUTH KOREA

Hot springs, 1,500-year-old Tongdosa Temple, and the UNESCO World Heritage Site of Gyeongju — once the capital of the Shilla Kingdom — are just a few highlights of South Korea’s second-largest city. For something different, visit Gamcheon Culture Village where terraced homes pour over the slopes like a rainbow-hued waterfall.

DAY 8 • KARATSU, JAPAN

Located on the island of Kyushu, Karatsu is one of the closest Japanese cities to the Korean Peninsula. Karatsu Castle is the main attraction here. Built in 1608, it houses a museum of the castle’s history and Karatsu ceramics. Karatsu is also known for its pottery which can be viewed at the Karatsuyaki Pottery Gallery. Also worth visiting is the Karatsu Hikiyama Exhibition Hall which displays the 14 floats used in the annual Karatsu Kunchi Festival in November.

DAY 9 • HIROSHIMA, JAPAN

Fold a paper crane to leave at the Atomic Dome, a UNESCO World Heritage Site, and visit Hiroshima Castle to see three trees that survived the bombing that destroyed the castle itself. Or head to Miyajima, one of the most scenic spots in Japan, for a look at the vermilion Itsukushima Shrine floating in the sea — yet another World Heritage Site.

DAY 10 • TAKAMATSU, JAPAN

The main gateway to Shikoku Island and an important focal point for the island’s rail and road transit systems, Takamatsu, on Japan’s scenic Inland Sea, has been a political and economic center since the Edo period. Among the attractions here is Ritsurin Garden, created during the Edo period, and especially popular during spring for the cherry blossoms and autumn for the fall foliage. Takamatsu Symbol Tower has several observation decks providing panoramic views of the sea and landscapes.

DAY 11 • KOBE, JAPAN

Kobe is the 6th largest city in Japan and famous for its signature marbled beef. The Ikuta Shrine there is among Japan’s oldest shrines, dating back to the 3rd century. Kobe is also the gateway to Mount Rokko, accessible by antique cable car, and the outdoor hot springs of Arima Onsen. Other sites include the Sake Brewery, the Earthquake Museum, and Sorakuen Garden.

(Includes overnight at Intercontinental Osaka and lunch.)

DAY 12 • KYOTO, JAPAN

Two more UNESCO World Heritage Sites are included today. Kinkaku-ji (the Golden Pavilion) shines even on an overcast day with its gold leaf exterior. Back in Japan’s feudal era, nearby Niijo Castle housed the visiting shogun, protected by an ancient security system known as “nightingale floors” that squeak if intruders approach. End the day at a local *machiya* (townhouse) in Kyoto where you can try on a kimono as you learn their history and attend a traditional tea ceremony.

(Includes overnight at Intercontinental Osaka, breakfast, and lunch.)

DAY 13 • KYOTO, JAPAN

Spend your last morning in Japan sleeping in, shopping your hotel’s underground mall for last-minute souvenirs, or enjoying a leisurely traditional Japanese breakfast before transferring to the airport for your flight home.

(Includes breakfast and transfer to airport.)

INSIDER TIPS

- Bring along a pair of comfortable slip-off shoes. Temples and traditional restaurants require shoe removal. The presence of woven rice straw mats (Tamati) and shoe storage shelves are your cues to stow your shoes.
- Tattoos are taboo in public pools, gyms, beaches, water parks and onsens (bath houses). If you have tattoos, cover them prior to visiting temples or sacred sites.
- Carry extra Japanese yen for the ubiquitous vending machines to try everything from ramen to collectible toys in capsules.
- Japan is a community-oriented culture where citizens put the good of the community over the individual. You’re more likely to blend in while following all posted rules on signs.

HEART OF THE

WHY WINDSTAR'S ALASKA:

- Enjoy close-up views of emerald coastlines, glaciers, and waterfalls in the Canadian Inside Passage, Kenai Fjords, Misty Fjords, and either Tracy Arm or Endicott Arm
- Visit small and less-visited ports of call like Wrangell and Haines
- Get closer to the twin Sawyer Glaciers on our yacht, which can navigate further up the narrow fjord
- Launch a kayak or Zodiac straight from the yacht in remote places like Misty Fjords and Kenai Fjords where excursions aren't usually offered
- In Alaska, travel with eight Expedition Guides with expertise in various disciplines, who lead guided tours and are available all your cruise to answer any questions you may have

FEATURED PORTS:

Kenai Fjords, Alaska – Alaska's smallest national park holds some of Alaska's biggest natural wonders. Very few cruise lines go here but on Windstar's *Star Breeze* you'll enjoy a full day of scenic cruising. The towering walls of rock and lush forests that line the fjords are breathtaking, but the ice face itself is even more so, regularly calving icebergs the size of small houses. Wildlife along the way might range from brown bears and mountain goats to sea lions and whales, and with Windstar's exclusive Signature Expeditions, you can see it all up close by kayak or Zodiac.

Wrangell, Alaska – With only about 2,000 residents, Wrangell is one of Alaska's smaller communities. You won't find big ships or fancy gift shops here, but you will find bald eagles in the cottonwoods, a colorful history, and a rare and authentic frontier charm. Spend the day discovering totem poles and Tlingit history at Chief Shakes Island, or wander Petroglyph Beach pondering the meaning of the 8,000-year-old rock art. Or, if you're feeling adventurous, watch wild bears fish the river for spawning salmon.

BRING ALASKA'S WILD BEAUTY into focus as you discover small towns and big cities, cruise far up narrow fjords to the twin Sawyer Glaciers or Dawes Glacier, and launch Zodiacs right from the yacht into pristine wilderness on Windstar Signature Expeditions. Our small ships get you closer to scenic shorelines along the Inside Passage, Kenai Fjords, and wildlife-rich Inian Islands. And when it comes to Native Alaskan culture, in addition to your opportunities ashore at places like Anchorage's Alaska Native Heritage Center and Ketchikan's Saxman Native Village, we'll bring native dancers on board for an exclusive performance.

WILDERNESS

FEATURED SHORE EXCURSIONS:

Juneau: Taku Glacier & Airboat Adventure – Alaska is awesome from any angle, but it's especially amazing from the sky. Flying high above Juneau in your helicopter it's all laid out like a quilt below you: The green velvet of Tongass National Forest, the white Juneau Ice Field, blue Gastineau Channel and Taku River. Landing at Taku Point, board a covered airboat for an exhilarating ride along the edge of Taku Glacier within an arm's reach of the ice. Then it's back to your helicopter for an effortless climb and landing on top of the glacier.

Haines: Chilkat Bald Eagle Float – Board your raft and enjoy a scenic float down the Chilkat River through the famous Chilkat Bald Eagle Preserve. Your expert guide will push the raft along. Along the way, your guide will interpret the natural history of the area and share exciting stories of life in the Alaskan wilderness. Learn to spot bald eagles and gain an appreciation for the challenges they face to survive. Early in the summer, resident eagles are feeding their young.

WE COULDN'T HAVE SAID IT BETTER ...

“Not only was the expedition staff great with their lectures and knowledge of glaciers, bears, whales, seals, sea lions and everything else that roams Alaska, they were really great fellow travelers who enjoyed the cruise as much as we did ... Riding on a Zodiac while seeing mountain goats as ice floated by from a calving glacier was a total thrill!” ~ SB44 on Cruise Critic

GET CLOSER TO THE LAST

WINDSTAR SIGNATURE EXPEDITIONS BRING ALASKA TO LIFE

Imagine seeing the Great Land as John Muir saw it, from ground and sea level, not looking down on it from several stories high (or from miles away).

And while other cruise lines bring speakers on board for a day, you'll enjoy the company of eight onboard experts for the full length of your voyage. You can casually ask questions and visit with these authorities on marine biology, botany, history, glaciology, and more whenever your curiosity is aroused.

In addition to scheduled presentations and getting to know our guests' interests better, they lead small groups on hikes and on expeditions by kayak and Zodiac — sometimes launching straight from our yacht in remote places like Misty Fjords and Kenai Fjord where this type of excursion is rare and requires guests to go ashore first.

That's the intimate and engaging experience you get on a Windstar Signature Expedition.

PORTS FEATURING SIGNATURE EXPEDITIONS

Icy Bay – Remote Icy Bay features Tsaai Fjord, formed by the retreat of the Guyot, Yahtse, and Tyndall Glaciers over the past 100 years. Breathe in landscapes of unspeakable beauty, enhanced by magnificent views over the Saint Elias Mountains, visible in the background.

Kenai Fjords – Step from the ship to a kayak or Zodiac and glide past ice debris from the Harding Ice Field. Keep an eye out for calving tidewater glaciers, harbor seals, black bears, bald eagles, and puffins.

Misty Fjords – Cruise up Misty Fjords past where the big cruise ships turn around, then launch a Zodiac or kayak straight from the ship to explore even

further — to hidden coves and along cliffs streaked by glacier-fed waterfalls.

Tracy Arm/Endicott Arm – Depending on the route, navigate in front of the South Sawyer Glacier or Dawes Glacier by Zodiac or kayak. Both glaciers are actively calving. Watch for harbor seals hauled out on ice floes and mountain goats high on the cliffs above.

Wrangell – John Muir hiked here while using Wrangell as headquarters for his Stikine Delta explorations. Your interpretive walk offers a truly immersive forest experience with excellent views of the surrounding mountains, town, and waterways below.

- Experienced expedition captain and eight expedition guides on board for your entire cruise
- Extensive scenic cruising opportunities, including the Canadian Inside Passage
- Up-close glaciers and fjords, including anchoring inside Misty Fjords National Monument

Alaska

Ketchikan, Alaska

before finishing the drive to Seward for your included flight to Juneau to board your waiting ship.

(Includes breakfast, flight from Anchorage and then all meals onboard your ship.)

DAY 6 • HAINES, ALASKA

Haines is one of the best places for hiking, fishing and wildlife viewing, especially bald eagles. See Fort William H. Seward, a nationally recognized historic landmark. Take in other cultural offerings in Haines including the Alaska Indian Arts Center where traditional craftsmen demonstrate their work, the Sheldon Museum & Cultural Center featuring local Tlingit people, the Hammer Museum, and the Tsirku Canning Company Museum with memories of Haines’ salmon canneries.

DAY 7 • SCENIC CRUISING TRACY ARM OR ENDICOTT ARM, ALASKA

Follow ice debris up stunningly beautiful Tracy Arm, a fjord that terminates at the twin Sawyer Glaciers. Sheer mountain peaks loom above you and waterfalls stream off the rocky cliffs. Mountain goats look down from above and harbor seals with their pups watch from ice floes below. Our small ship is much more maneuverable than larger ships, giving us a better chance of reaching all the way up the passage. When weather and ice conditions permit, we’ll watch ice

calve off the glacier’s face. If ice blocks Tracy Arm, we’ll cruise the broader Endicott Arm with similar scenery.

DAY 8 • SITKA, ALASKA

This humble port city was once the capital of Russian America, and was where the official transfer of Alaska took place in 1867. Explore the Russian and Tlingit cultures that influenced its growth, capture an iconic photo of the Russian Orthodox church, or head to the Alaska Raptor Center for a close-up look at bald eagles and other birds of prey.

DAY 9 • MISTY FJORDS, ALASKA

John Muir first viewed Misty Fjords by cedar canoe, comparing it to his beloved Yosemite. And today it looks much as it did back then, one of the last places on earth where you can explore vast swaths of rugged, remote area untouched by humans. With silt-blue lakes, silvery waterfalls, and snowcapped peaks, you’ll get a postcard picture literally everywhere you turn, depending on the weather of course. Get even closer on an optional Windstar Signature Expedition Zodiac tour.

DAY 10 • KETCHIKAN, ALASKA

Ketchikan is some 3 miles long but only a few blocks wide, squeezed between Tongass Narrows and the steep slopes of Deer Mountain. Colorful businesses occupy former bordellos along Creek Street — a

historic wooden boardwalk — while salmon swirl in the creek below. A profusion of steep wooden staircases climb the hillsides like an Escher-esque painting, linking weathered, wooden homes and Nob Hill mansions. At either end of town you’ll find Tlingit and Haida culture from totem poles to clan houses and native dancers.

DAY 11 • SCENIC CRUISING CANADIAN INSIDE PASSAGE

The sheltering archipelago of Canada’s Inside Passage unfolds in layers of deep forest green on a sea the color of kelp and oyster. We twist and turn around undulating islands as you enjoy the passing scenery of centuries-old coastal rainforests, cascading waterfalls, bald eagles, orcas, and seals sunbathing on rocky shores.

DAY 12 • VANCOUVER, BC, CANADA

Disembark your ship in Vancouver, a city that began as a frontier fur trading post but now possesses an almost unfair boon of jaw-dropping natural beauty and thriving culture. If you have time, take in attractions including Stanley Park, Gastown and Chinatown.

DAY 6 • SCENIC CRUISING KENAI FJORDS NATIONAL PARK, ALASKA

Appreciate the small size of *Star Breeze* all the more as we navigate the breathtaking waters of Kenai Fjords National Park — a place where larger ships can't follow. Watch from the comfort of your suite or stand at the rail as one magnificent scene follows another, listening as fellow guests call out sightings of sea lions, puffins, and whales.

DAY 7 • AT SEA

DAY 8 • SITKA, ALASKA

This humble port city was once the capital of Russian America. In fact, back when San Francisco had fewer than ten residents, Sitka was a boomtown of 800. Explore the Russian and Tlingit cultures that influenced its growth and capture an iconic photo of the Russian Orthodox Church, or head to the Alaska Raptor Center for a close-up look at bald eagles and other birds of prey.

DAY 9 • SCENIC CRUISING TRACY ARM OR ENDICOTT ARM, ALASKA

Today you'll have the opportunity to see tidewater glaciers up close and personal on a Zodiac tour, a kayak expedition, or cruising in the comfort of *Star Breeze*. At Tracy Arm we follow the ice to its source up the 30-mile-long fjord to twin Sawyer Glaciers to watch enormous slabs of ice calve off the glacier's face. When ice makes the route impassable, we cruise the wider Endicott Arm to Dawes Glacier.

DAY 10 • HAINES, ALASKA

This quaint little town on North America's longest fjord borders 20 million acres of protected wilderness. Outdoor adventures are obviously high on the list here, from kayak and raft trips to photo safaris. But you can also pass a very pleasant day just strolling the streets, meeting the locals, and browsing shops filled with Native Tlingit arts and crafts.

DAY 11 • JUNEAU, ALASKA

Alaska's isolated capital city hugs the shore of Gastineau Channel with breathtaking scenery and glaciers all around. Of the 30-some glaciers in the Juneau Ice Field, only one — Taku Glacier — is still advancing. Fly over it in a helicopter, then land to peer down into a crevasse and taste the purity of glacial streams.

DAY 12 • WRANGELL, ALASKA

Bears, petroglyphs, and totem poles just scratch the surface of Wrangell's attractions. Hike to Rainbow Falls, go fishing, or visit the local museum to learn about the town's unique claim to fame as the only Alaskan city to have existed under four nations — the Stikine Tlingits, Russia, Great Britain, and the United States.

DAY 13 • SCENIC CRUISING MISTY FJORDS, ALASKA

Cruise past all the big ships' shore excursion boats in the comfort of the intimate and nimble *Star Breeze*. Enjoy a drink, a bite,

or stretch out in your suite. You'll know this is definitely the way to see Misty Fjords. Want to power your very own vessel to see the sights? Take a kayak trek for the paddle of a lifetime.

DAY 14 • KETCHIKAN, ALASKA

The waterway hums with float planes, and boardwalks, colorful stilted buildings, and a profusion of steep wooden staircases inviting you to explore. The town stretches 31 miles along the coast but is never more than 10 blocks wide, squeezed to the shore by the steep hillsides. You'll find plenty to do within just a few minutes of the pier, from Dolly's House Museum in a former bordello on Creek Street to Saxman Native Village with its totem poles and native dances.

DAY 15 • SCENIC CRUISING CANADIAN INSIDE PASSAGE

There's a reason this region is so popular with yachtsmen. You could spend years exploring this archipelago and never discover all the hidden coves, secluded villages, and magnificent landscapes. Sunset is a special time as the light turns the passage red and silver.

DAY 16 • VANCOUVER, BC, CANADA

The city that began as a frontier fur trading post is now a bustling metropolis with an almost unfair boon of jawdropping natural beauty and thriving culture. Take it all in on your way to Canada Place Cruise Terminal.

(Includes overnight at Denali Lodge or similar hotel, breakfast, lunch and a snack.)

DAY 4 • DENALI TO TALKEETNA

- Admission to the Anchorage Museum
- 11- or 12-day cruise aboard *Star Breeze* from Seward to Vancouver

DAY 6 • SCENIC CRUISING COLLEGE FJORD, ALASKA

Welcome to College Fjord, boasting the largest collection of tidewater glaciers in the world as well as several valley glaciers. Unlike Glacier Bay the trees here are well established, adding a sense of scale that makes the massive rivers of ice even more impressive.

DAY 7 • VALDEZ, ALASKA

This small town (population 4,000) is for small ships only, and odds are good that no one you know has been here. The area is known for its cascading waterfalls fed by Thompson Pass, the "snowiest place in Alaska," but there's plenty else to make the day pass quickly. Browse the quirky shops and restaurants along North Harbor Drive, explore the town's two noteworthy museums.

Sled dogs

Riverboat Discovery

Route line is approximate.

DAY 8 • SCENIC CRUISING HUBBARD GLACIER, ALASKA

Hubbard Glacier is the largest tidewater glacier on the North American continent at 76 miles long, 7 miles wide and 30 stories tall at its face. It calves about every 15 minutes and was named after Gardiner Hubbard, the founder of the National Geographic Society.

DAY 9 • SCENIC CRUISING POINT ADOLPHUS AND ICY STRAIT POINT (HOONAH), ALASKA

Every summer humpback whales make the 3,000-mile journey from Hawaii to Alaska to feast on krill and schooling fish and one of the very best places to see them is off Point Adolphus. Humpbacks aren't the only mammals attracted to these nutrient-rich waters, either. On an excursion from Icy Strait Point you can search for Alaskan coastal brown bears – the Spasski River valley is famous for having one of the highest densities of coastal brown bears in the world.

DAY 10 • SCENIC CRUISING TRACY ARM OR ENDICOTT ARM, ALASKA

Like a trail of bread crumbs we follow ice debris up Tracy Arm, a 30-mile-long fjord that terminates at the twin Sawyer Glaciers. If weather and ice conditions permit, we reach the terminus and watch an unforgettable show as enormous slabs of ice calve off the glacier's face. If ice blocks our way, we'll cruise the broader Endicott Arm where Dawes Glacier awaits.

DAY 11 • HAINES, ALASKA

This quaint little town on North America's longest fjord borders 20 million acres of protected wilderness. Outdoor adventures are obviously high on the list here, from kayak and raft trips to photo safaris. But you can also pass a very pleasant day just strolling the streets, meeting the locals, and browsing shops filled with Native Tlingit arts and crafts.

DAY 12 • JUNEAU, ALASKA

Tiny Juneau is only reachable by air or sea – and odd circumstance for a state capital. But oh, what scenery! Whether you go whale watching in Gastineau Channel or soar over the Boundary Range and its glaciers by helicopter, there's no "wrong" way to spend your day.

DAY 13 • PETERSBURG, ALASKA

Alaska's Little Norway was founded more than 100 years ago by Norwegian fishermen and while it's still a fishing town today, it's a fishing town with a difference. The town still has a strong Norwegian identity and is surprisingly passionate about the arts. Walls are decorated with murals, sidewalks have decorative brass inlays, and traditional Norwegian rosemaling adorns windows, doors and shutters.

DAY 14 • WRANGELL, ALASKA

An impressive collection of totem poles highlights the town and Chief Shakes Island – well worth the short walk over a foot

bridge. Stroll up to Petroglyph Beach State Historic Park to see 1,000-year-old rock carvings or earn your bear badge at the Anan Wildlife Observatory where viewing platforms let you watch bears chow down on spawning salmon.

DAY 15 • PRINCE RUPERT, ALASKA

Picturesque Prince Rupert, located on Kaien Island, just north of the mouth of the Skeena River is rich in culture and heritage. Prince Rupert was founded in 1910 on a site that has been inhabited by First Nations people for over 10,000 years. The area is rich with wildlife like whales, eagles, salmon and grizzly bears.

DAY 16 • SCENIC CRUISING CANADIAN INSIDE PASSAGE

Dense spruce forests and a labyrinth of hump-backed islands seem to merge and part magically as we round each bend. Aside from the beauty of the scenery, it's entertaining to watch as life goes on – fishing boats fish, sailboats sail, orcas make the occasional appearance as they hunt for their dinner. Yours will be served hot with fine wine and good company.

DAY 17 • VANCOUVER, BC, CANADA

Arrive in Vancouver a changed person after your voyage through the Alaskan wilderness. Bid farewell to your traveling companions and the crew of *Star Breeze*, then turn your attention to exploring this fair city in the time you have remaining.

DEPARTURE DATES:

ALASKAN SPLENDORS

VANCOUVER TO ANCHORAGE, (or reverse) | 10* OR 11 DAYS

One of Michele Hanson’s favorite ways to experience the “true Alaska” is kayaking Endicott Arm: “The smell of the glaciers, the beauty of the blue ice ... you just feel so blessed to see it firsthand.” Such intimate encounters are only possible on a small ship like *Star Breeze*. Guests get to experience a variety of glaciers in Kenai Fjord, Tracy or Endicott Arm, and view the waterfalls along the steep cliff walls in Misty Fjords all on one itinerary. Another benefit: Windstar is able to tweak it in real time – so if, say, a pod of humpbacks is spotted bubble feeding in Point Adolphus, the Captain can maneuver the ship for prime viewing.

Windstar’s Signature Expeditions staff is tops in the field, and the cruise line goes out of its way to expose guests to authentic Alaskan culture in tiny communities like Wrangell.

WINDSTAR TIPS

EXPERT LEVEL

THE LAST FRONTIER is by definition a long way from civilization, so if you're going to make the trek to get here, take your Alaska journey to an even higher level by paying attention to these five simple tips.

- Capture the Memories** – Take advantage of the uncrowded decks to shoot that once-in-a-lifetime shot of a whale breaching – something that's much easier to do without people bumping your elbow.
- Learn From the Experts** – Add more meaning and context to your voyage as you learn about nature and Alaskan history from the eight full-time Expedition Experts on board to ask questions of on deck or to have conversations with over dinner.
- Pack Like a Pro** – Make your days on board and on shore more comfortable and productive by mastering the Northwest art of layering clothes and by bringing the right gear for your outdoor adventures.
- Don't Forget About Denali** – Denali National Park & Preserve is Alaska's most popular land attraction, and can be visited on our Cruise Tours. It's home to Denali (formerly Mount McKinley), the continent's highest peak, as well as Alaska's Big Five wildlife: moose, caribou, grizzly bears, Dall sheep, and wolves.
- Look Beyond the Creature Features** – There's the native culture, and there are few things more thrilling than watching traditional Hoonah Tlingit dances or visiting with a Native Master Carver. And, there's the incredible fjord and glacier scenery, at its best in remote spots like Kenai Fjords, Misty Fjords, Tracy Arm, and Endicott Arm – places where our Signature Expedition excursions launch right from the yacht.

VIKINGS CROSSED THE LABRADOR SEA from Greenland to settle in Newfoundland. Centuries later, Portuguese fishermen, Basque whalers, French trappers, and English pilgrims would discover a Promised Land where nature nurtures both body and soul. Here, where the sun first kisses North America, Jacques Cartier found a place where “the scenery is indeed worth seeing and can’t be properly described in words.” The ravishing lighthouse-studded coast still inspires awe. Manna from the sea still delights palates. And yachts like ours still ply these waters with a freedom denied to larger ships.

WINDSTAR'S FAVORITE FIVE:

- Montreal, Quebec
- Gaspé, Quebec
- Tasermiut Fjord, Greenland
- Halifax, Nova Scotia
- Lunenburg, Nova Scotia

BIRTHPLACE OF

WHY WINDSTAR'S CANADA & NEW ENGLAND:

- Stay overnight in Quebec City, one of only three lived-in UNESCO World Heritage Sites in the world
- See rare corners of remote Newfoundland and Labrador
- Discover Acadian and Scottish cultures in Nova Scotia, French culture in Quebec, and the utterly unique Downeast culture of Maine
- See New England's spectacular fall color during autumn cruises
- Cruise into the heart of Montreal under Laviolette Bridge, a barrier that forces some larger ships to dock two hours away in Quebec City
- Visit small, rarely visited ports of call like St. Anthony, Cap aux Meules, Bonne Bay, Narsaq, Gaspé, and Lunenburg

FEATURED PORTS:

Cap aux Meules, Magdalen Islands, Quebec – Cap aux Meules is a place even many Québécois are unfamiliar with. On this beautiful island of forest, dune grass, bright red cliffs and picturesque lighthouses it's easy to find a spot all your own. And there's plenty to see, from more than 300 bird species to a church built from salvaged shipwrecks to colorful kitesurfers skating across the waves. The hardy residents attract foodies with artisan cheese and local honey. Fill your time exploring the unique blend of Acadian, French and English cultures.

Halifax, Nova Scotia – What started as a British naval garrison was soon home to fishing boats, pirates, and rum-runners, resulting in a history almost as colorful as the restored clapboard buildings along the Harbourwalk. Catch up on the city's seafaring past – including artifacts from the *Titanic* disaster – at the Museum of the Atlantic. Or climb the hill to the star-shaped Citadel where costumed re-enactors transport you back to colonial days.

FROM THE AMERICAN REVOLUTION to the *Siege of Louisbourg*, quaint fishing villages to iconic French-flavored cities, Star Pride shows you the best this region has to offer. Step into Maine's oldest lighthouse in Portland and a lobster boat in Bar Harbor. Travel back to the days of the Vikings in L'Anse Aux Meadows near St. Anthony, and to Prohibition in colorful Lunenburg outside Halifax. See spectacular scenery from the rugged shores of Acadia National Park to picturesque Peggy's Cove. The diversity of sights, tastes, and accents is astonishing, and makes you feel like you've traveled to foreign lands without ever being too far from home.

Uunartoq Hot Springs, Greenland

FEATURED SHORE EXCURSIONS:

Lunenburg: Gaff Point Hiking Trail – Gaff Point hiking trail is recognized as one of Nova Scotia's most scenic trails. Unspoiled, undeveloped, and spectacularly beautiful, the headland is the perfect place to stretch your legs and take in views of the Atlantic Ocean and small, scattered islands — one of which is home to wild sheep and an abandoned lighthouse. Your hike leads to a secret beach, the perfect place to enjoy your box lunch and watch for grey seals, harbor porpoises, and whales.

Qaqortoq: Boat Tour to Uunartoq Hot Springs – Enjoy the scenery of the green Arctic while bathing in perfectly heated water on uninhabited Uunartoq Island. This is the only heated outdoor spa in the country, and the setting is extraordinary — you can watch small icebergs float by in the ocean just a short distance away in the fjord, and sky-high mountains rise around. Aside from a small changing hut it's just you in a wild setting. And how many people can say they went swimming in Greenland?

ARUBA TO PANAMA CITY, (or reverse) | 7 DAYS

It's something of an insider secret, cruising the extreme southern edge of the Caribbean. But those who explore beyond the traditional islands know that this is where you find the epicenter of colonial history, amazing biodiversity, and cultures.

This is the heart of the Spanish Main, where untold wealth boarded galleons and colonial forts thwarted off pirate attacks. It's the narrow isthmus that holds the Panama Canal, an epic engineering feat that irrevocably changed the course of world trade. And it's the home of indigenous tribes like the Kogi, the Ngobe-Buglé, and the Kuna, who have managed to maintain their traditional ways of life despite living at one of the planet's busiest crossroads.

These shores are also some of the most beautiful and biodiverse on earth, home to marine-rich coral reefs, and the greatest bird diversity in the world.

All this in seven days, on a ship perfectly designed for adventure.

INSIDER TIPS

- Birders take note: Colombia has the highest bird diversity of any country with more than 1,900 species, and our excursion to Cartagena's National Aviary lets you see an important sample of this variety.
- Brightly dressed palenquera ladies – carrying fruit trays on their heads – add to the beauty and attraction of Cartagena.
- The coffee and chocolate (cacao) grown in this region are delicious. Be sure to try some, and if you have

a chance, visit a farm where the crops are grown to learn how they're produced.

- When you cross the Panama Canal you join a fraternity of sailors who have made this crossing before you. This honor is known as the "Order of the Ditch".

Les Saintes, Guadeloupe – We anchor just off Terre-de-Haut in one of the most beautiful bays in the world, while larger ships dock at Guadeloupe's main town of Pointe-à-Pitre and must take a ferry to Les Saintes. It's impossible to get lost in Terre-de-Haut, which has only one street, but there are still plenty of ways to spend your day. Pick up some fresh and fragrant baguettes for a picnic on the beach. Visit with the Saintoise, said to have descended from French and Breton corsairs (pirates).

Road Bay, Anguilla – With its protected shoreline, calm surf, spectacular coral reefs and sugar-soft beaches, Road Bay has become a destination for boaters, with its delightful restaurants, bars, and shops. Anguilla has some of the most beautiful sunsets and delicious rum punch to be found in the Caribbean. It is also home to Cuban tree frogs, red-footed tortoise, green iguanas and five species of bats. Worth checking out is Wallblake House, a heritage plantation house and museum said to be the oldest building on the island and located nearby.

IF YOU COULD DESIGN THE PERFECT ISLAND *itinerary it would look a lot like these. Ports of call would include tiny towns and hidden harbors known only to private yachts and small ships like ours. Schedules would allow for dropping the Watersports Platform in turquoise bays and raising sails on the way to your next island rendezvous. And the laid-back island vibe would continue on board with a mouthwatering Signature Onboard Barbecue by the pool. Best of all, on every cruise there would be one day that was even more special than the rest, when you land on a secluded beach for Windstar's Signature Beach Party, elaborate buffet and watersports included.*

WINDWARD ISLANDS SURF & SUNSETS

SAN JUAN TO SAN JUAN | 7 DAYS

COMPLIMENTARY
WATERSPORTS
PLATFORM

One of the most sought-after yachting destinations in the Caribbean, the Windward Islands gives you a glimpse of what the West Indies looked like in days of old. Technicolor travel posters come to life in its lush green mountains, shimmering blue waters, swaying palm trees, and uncrowded beaches. Colorful fishing boats bob in the harbor next to private yachts, and resorts give way to charming boutique hotels and B&Bs. Pastel Georgian buildings, crumbling forts, and rusting canons recall the days when pirates roamed the seas and Britain and France fought over who would rule these islands. And while each island has its unique charms, the pace of life is almost universally slow, with time to absorb the copious amounts of natural beauty and chat with people who are genuinely welcoming.

PORTS OF CALL: San Juan; Grenada; Bequia; St. Lucia; Guadeloupe; St. Maarten

DEPARTURE DATES: *Star Pride*: Nov 12, 26, 2022; Jan 7, 21; Feb 4, 18; Mar 4, 2023

INSIDER TIPS

- An island's windward side faces the trade winds, which come from across the Atlantic. On the leeward side, the Caribbean Sea is calmer. As a result, you'll usually find the best beaches on the west side of each island.
- Check out the nutmeg ice cream on Grenada, the Spice Island. It's like a summer version of eggnog.
- In tiny Bequia, an island of just 7 square miles, all beaches are public. They're also clean and uncrowded, so take your pick.
- The incredibly beautiful twin pitons on St. Lucia are a UNESCO World Heritage Site. You can climb Gros Piton (with a guide), but it's an exhausting climb and you'll need good hiking shoes and plenty of water.
- The people you meet in Les Saintes are descended from Breton corsairs (pirates), and they're skilled sailors. Their distinctive shallow white hats are called salacos. If you would like to take a photo, be sure to ask first.

WINDWARD WAYS & TOBAGO CAYS

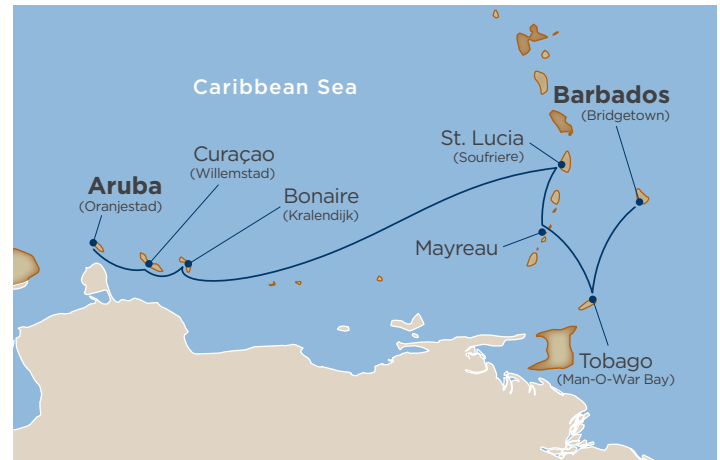

BARBADOS TO ARUBA, (or reverse) |
6*, 7, OR 8+ DAYS

They say you can't please everyone, but this cruise through the Windward and ABC islands may just prove them wrong.

Those who love snorkeling and diving will be on Cloud 9 as they swim with fish and sea turtles in Tobago Cays Marine Park, Bonaire National Marine Park, and the proposed Speyside Marine Protected Area. And discover Bonaire, with its stunning desert-palette motifs like pink flamingos on white salt pans.

Those who are looking for the hidden Caribbean will find it in Mayreau – just 1.5 square miles with fewer than 300 inhabitants. And those who love colonial harbors can enjoy British Bridgetown with its UNESCO garrison as well as the triple Dutch treat of Kralendijk, Willemstad, and Oranjestad.

PORTS OF CALL: Barbados; Tobago; Mayreau; St. Lucia; Bonaire; Curaçao; Aruba

DEPARTURE DATES: *Star Legend:* Jan 14, 21; Feb 11, 18, 2023

Star Pride: Nov 25; Dec 16, 22, 2023; Jan 13, 20; Feb 10, 17, 2024

#Itinerary varies, visit WindstarCruises.com for details.

INSIDER TIPS

- Mayreau is about as uncrowded as you can get. But if even that's too much for you, head to Mopian. Surrounded by reef, the tiny dollop of sand has room for just one thatch umbrella.
- Bonaire's arid climate contributes to its exceptionally clear waters, a quality that has helped make it the #1-rated dive destination in the Caribbean.
- If you plan to snorkel or dive, bring an underwater camera. Colorful fish like blue tangs and damsel fish are everywhere. And with luck, you may spot a hawksbill, a green turtle, or maybe even a seahorse.
- For a taste of authentic Curaçao cuisine, cross Willemstad's Queens Emma Bridge (the "Swinging Old Lady") to Plasa Bieu. The pitched-roof food court offers many island favorites, plus the chance to mingle with hungry locals.
- Notice those eight blue life-size horse sculptures scattered around Oranjestad? The city was originally known as *Paarden Baai* (horse beach) because the island's economy once hinged on selling horses to Europeans.

YACHTSMAN'S CARIBBEAN

ST. MAARTEN TO ST. MAARTEN | 7 DAYS

Yachtsmen's favorite islands and anchorages just big enough for small ships were passed on by word of mouth. The ports on this itinerary were chosen from those at the very top of that list.

Here you'll find secluded beaches with the kind of super-soft sand that attracts nesting sea turtles. And quintessential beach bars – the kind that are sometimes open and sometimes not. In place of resort Jacuzzis you'll find natural attractions like Virgin Gorda's 'Baths' with its smooth granite boulders and Jost Van Dyke's tide-powered Bubbly Pool.

You'll also find spots that appeal to the more luxurious side of yachting, from the latest French fashions, haute cuisine, and country clubs to all the plush amenities of your lovely yacht.

Small ports. Small ships. Proof, in fact, that good things do come in small packages.

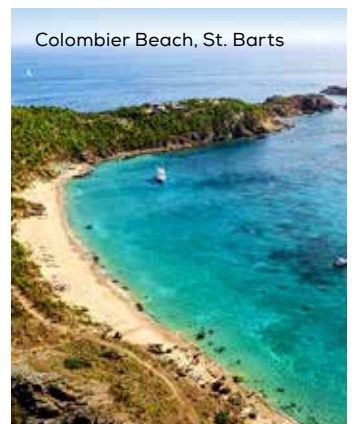

PORTS OF CALL: St. Maarten; Antigua; Tortola; Jost Van Dyke; Virgin Gorda; St. Barthélemy

DEPARTURE DATES: *Wind Surf:* Jan 7, 21; Feb 18; Mar 18, 2023

INSIDER TIPS

- Check out delightfully secluded Colombier Beach on St. Barts, reachable only by catamaran or a 25-minute hike on a goat path. (Either way it's worth it, but the catamaran is far less taxing.)
- On Virgin Gorda you'll find a quieter Baths-like alternative at Spring Bay, just north of the Baths. The Crawl saltwater pool features the same giant boulders scattered along the sand backed by palms and sea-grape trees.
- On St. Maarten, the iconic drink is guavaberry liqueur. The fruit grows naturally on the island and is used in sauces and other beverages. Get a taste at the Guavaberry Emporium.
- Soper's Hole was the one-time hangout of Blackbeard the pirate, and nearby Norman Island is said to be the inspiration for Robert Louis Stevenson's novel, *Treasure Island*. It's rumored that treasure may still lie here waiting to be discovered.
- It's no secret that A-listers like to relax in St. Barts. Watch for celebrities along the Rue de la République.

DAY 4 • DESERT ADVENTURES AT WADI RUM

Embark on a morning excursion in a 4x4 vehicle to Wadi Rum, an otherworldly landscape of lunar-like dunes and scoured sandstone. While you're exploring Jordan's largest Wadi, you'll also have time to ride a camel. Travel to Aqaba and your waiting yacht.

(Includes breakfast and transfer to yacht.)

DAY 5 • AQABA, JORDAN

Jordan's only seaport is rich with history. Visit imposing Aqaba Castle, which played a pivotal role in the 1917 Arab Revolt made famous by *Lawrence of Arabia*. Admire the Sharif Al Hussein Bin Ali Mosque with its beautiful stark white arches and domes. Save time to wander the souk fragrant with spices like saffron, cardamom, ginger, and cumin.

DAY 6 • HURGHADA, EGYPT

This beautiful seaside oasis was one of the first diving and snorkeling hotspots in the Red Sea. If you don't want to get your feet wet, see it all in comfort on a submarine adventure, or stroll through the underwater viewing tunnels at the Hurghada Marine Museum & Aquarium.

DAY 7 • AIN SOKHNA, EGYPT

Ain Sokhna's lovely beaches, clear waters, and proximity to Cairo have made it a popular escape for local Egyptians looking to unwind. Get a bird's eye view of it all from the cable car going from the port to the top of Mount Sukhna. You'll also find Egypt's oldest monasteries, St. Anthony and St. Paul, and the Suez Canal nearby.

DAYS 8/9 • SHARM EL SHEIK, EGYPT (OVERNIGHT)

This classic Red Sea resort glitters like you would expect a "sheik's peninsula" to glitter, from the shiny brass lamps in the Old Town souk to the sleek private yachts in the harbor. Watersports are big here and the snorkeling is outstanding. For many, though, the main attraction is a humble bush at St. Catherine Monastery, located on the spot where Moses was said to have received the Ten Commandments.

DAYS 10/11 • SAFAGA (LUXOR), EGYPT (OVERNIGHT)

Located on the Egyptian side of the Red Sea, the city of Safaga is a charming beach resort and gateway to Luxor – known as the "world's greatest open air museum." Luxor is home to the Valley of the Kings, and features one of the most impressive collections of temples and tombs in the world.

ICONS OF THE ANCIENT WORLD: GREECE & ISRAEL

ATHENS TO HAIFA, (or reverse) | 8 DAYS

COMPLIMENTARY
WATERSPORTS
PLATFORM

Sailing the eastern Mediterranean is a voyage of contrasts rich in ornate temples, opulent palace ruins, and sacred legends celebrating ancient deities.

To the south, enshrined in formidable Ottoman walls, stands Jerusalem, Western Civilization's contemporary crossroads of faith, where Muezzin calls to prayer reverberate off foot-polished limestone streets, intermingle with church bells, and dissipate into the din of rumbling buses, bustling pedestrians, and rasping scooter engines.

Further south in Jordan's Dead Sea basin are Petra's etched ruins and religious relics, which serve as stark reminders that theological beliefs and even the richest human habitations are transitory, a permanence limited to the integrity of stone against wind, water, and time. It's a collective sense of awe and wonder likely shared by former Nebataean inhabitants thousands of years ago.

INSIDER TIPS

- Windbreakers and hoodies are precautionary summer essentials in Mykonos, but sunscreen is added insurance when playful offshore breezes tug at sunhats.
 - The most delicious way to spend time in Heraklion is sampling local sweet cheese pastries and bougatsa cream pies served at cafés and restaurants around Lion Square.
 - The cheapest authentic Rhodes entertainment is watching local fisherman land fish at sunset along the Old Town harbor.
 - Wineries thrive on Cyprus. Seek out prized regional white Xynisteri and red Mavro wines because they rarely land on store shelves off the island.
 - Dress for access. Men's shorts are forbidden at
- Jerusalem's holiest destinations, so consider convertible travel pants featuring zip-off legs for versatility and light packing. Women's clothing guidelines are more specific, encouraging skirts with hems at least beneath the knees and blouses that cover shoulders and upper arms.

A DIFFERENT SET OF RULES APPLIES *in the Mediterranean.*

Time is measured in centuries, not minutes. Cities are shaped by sun and volcanoes. And the border between myth and reality fades like footprints on a Riviera beach. Surrounded by wonders like the Cinque Terre and Parthenon, Meteora and the Sistine Chapel, Lake Como and the azure landscapes of Croatia, it's easy to believe there is something magical at work here. Something that kisses grapes and transforms them into divine wine, turns marble ruins to gold in the last light of day, and gifts you with a beautiful white yacht to see it all.

FEATURED PORTS:

Monemvasia, Greece – This medieval castle town, on an island east of the Peloponnese, is impressively carved into a large rocky plateau. Visitors arrive on a short causeway, and walk through a massive Venetian gate (cars are not allowed), or via ferry. Arriving on your Windstar yacht is a rare opportunity (most ships are too large to call here). Wander the narrow cobblestone lanes past restored, red-roofed medieval stone houses and dozens of Byzantine churches, and imagine you are in another time.

Kotor, Montenegro – Wander through the dreamy medieval Old Town on pedestrians-only alleyways past historic homes, hidden squares, stone churches, boutiques and restaurants. Climb to the fortress on the hill for breathtaking views of the mountain forests that cover much of the landscape. Side trips visit villages in the countryside. A late-night stay affords sunset viewing from a restaurant terrace — sipping the Montenegrin red wine Vranac while sampling local specialties.

IN ALMOST EVERY Mediterranean port you'll find incredible history, to-die-for cuisine, exceptional art and architecture, and rich cultural traditions. The trick is getting the most out of your visit, and designing itineraries specifically to accomplish this is an area where Windstar excels. Our port-intensive itineraries are designed to show you both the big cities and more overlooked places — from authentic working-class towns where tourism is an afterthought to small ports favored by yachtsmen. And when we do visit major cities, our small yachts dock closer to historic town centers. Late night and evening stays expand your time for exploration, and carefully crafted small-group excursions get right to the heart of local culture with insightful market tours, tastings, village and home visits, and more.

YOUR CRUISE TOUR DAY-TO-DAY SNAPSHOTS

Colored descriptions indicate land tour portion.

DAY 1 • ATHENS, GREECE

Arrive in Athens, one of the world’s oldest cities, and settle into your room at the 5-star St. George Lycabettus Hotel. Nestled against the pine-forested slopes of Lycabettus Hill, the hotel offers breathtaking views of Athens, the Acropolis, and the Saronic Gulf. With the afternoon and evening at your leisure, you have time to peruse the shops of Kolonaki, an elegant neighborhood nearby that’s known for its museums and trendy boutiques.

(Includes overnight at St. George Lycabettus and transfer from airport.)

DAY 2 • DELPHI, GREECE

We prophecy a busy day at Delphi, a place that once attracted people from all over who came to have their questions answered by the Oracle. The setting itself is spectacular, aside from the UNESCO World Heritage Site’s cultural significance. The ruins hug the hillside, with an incredible view of the mountains, valley, and nearby coast. See the Castalian Spring where worshippers purified themselves before visiting the Oracle, the Sacred Way, the Grand Temple of Apollo, the theater, and the well preserved stadium, its marble starting blocks still in place. And don’t miss the magnificent bronze Charioteer at the

Delphi Museum. After a delicious traditional Greek lunch, check into the Divani Meteora Hotel in the historical district of Kalambaka.

(Includes overnight at Divani Meteora, breakfast and lunch.)

DAY 3 • METEORA, GREECE

Monks and hermits have found refuge on Meteora’s sandstone rock pillars for centuries. The Greek Orthodox monasteries perched on the cliffs were originally accessed only by nets or wooden ladders, making them a perfect refuge from pirates and invaders. Today only about six monasteries remain, collectively listed as

Athens, Greece

Nafplio, Greece

a World Heritage Site. Explore two that are now accessible by steps and bridges, shifting your gaze from the incredible monasteries to the amazing rock towers they cling to. After lunch, return to Athens and spend the evening at your leisure.

(Includes overnight at St. George Lycabettus, breakfast, and lunch.)

DAY 4 • ACROPOLIS & PIRAEUS, GREECE

The Acropolis is one of the most famous archaeological sites in the world, and yet another UNESCO World Heritage Site. Climb the smooth marble steps to the Parthenon, a masterpiece of classical architecture. Admire the Temple of Athena Nike and the Porch of Maidens. Then enter the Acropolis Museum where you'll find works of art including the Parthenon Frieze with its beautiful depiction of the festival of Athena. Turn your attention to a modern beauty as you head to the yacht.

(Includes breakfast and transfer to yacht.)

DAY 5 • MYKONOS, GREECE

Visit Mykonos, a classic Greek isle with hundreds of white-washed churches and cubist houses, thatched windmills catching the breeze, and a harbor bobbing with fishing boats and luxury yachts. Sit in the shadow of a café as native fishermen and jet set Europeans pass by. Or head further afield on an optional tour of Delos, a UNESCO site and mythical birthplace of Apollo.

DAY 6 • KUSADASI, TURKEY

Kusadasi offers many historic sites, but Ephesus steals the show. Once an important trading stop along the Silk Road, its well-preserved ruins reflect what was once one of the most beautiful and advanced cities of the ancient world. Walk the marble-lined streets past the huge theater where St. Paul once preached, the gladiator's graveyard, the incomparable facade of the Celsus Library. If you were wealthy, you might have lived in one of the grand terrace houses, their ornate frescoes and mosaics still shining.

DAY 7 • PATMOS, GREECE

Inhale the scent of heather and pines on the sacred island where the Book of Revelation was said to have been written. This UNESCO World Heritage Site draws pilgrims to sites like the Cave of the Apocalypse and the Holy Monastery of the Apocalypse, while nature lovers flock to the beaches — some sand, some pebbled, and every color of the rainbow.

DAY 8 • SANTORINI, GREECE

Cruise into Santorini, a vision in whitewash, volcanic black, and a blue so distinctive it's become known as Santorini blue. People of the Cyclades don't simply like the color, they believe it keeps away evil, a job it must do extremely well as it's hard to imagine a more sublime place. Catch iconic photos of traditional Greek windmills, and don't miss the romantic village of Oia with its cave houses.

DAY 9 • MONEMVASIA, GREECE

Monemvasia is a place where only the determined go, or those with private ships. (Don't be surprised if yours is the only one in the harbor.) The Gibraltar-like fortress is linked to the rest of the Peloponnese by a thin tendril of causeway that was once a drawbridge, restricting access to whoever currently occupied the rock. Fewer than 100 live here full-time, in historic stone buildings covered with jasmine, oleander, and bougainvillea. Climb to the upper town and explore the citadel and Agia Sofia church. With no cars allowed, you can hear the cicadas singing and the sea breaking gently on the shore. Return to the lower town and sink into a welcome chair at a trattoria for a congratulatory sip of Malmsey, the sweet wine that originated here.

DAY 10 • NAFPLIO, GREECE

This charming seaside town is one of the most romantic cities in Greece. Enjoy the medieval old town with its narrow cobblestone alleys and neoclassical mansions. Take an optional tour to the UNESCO site of Epidaurus or the UNESCO site of Mycenaean. Or stroll the Syntagma Square and take in the beauty of the Palamidi Castle with its 999 steps carved from the rocks.

DAY 11 • PIRAEUS (ATHENS), GREECE

Return to Athens, a city with 3,000 years of history where you can't turn around without encountering the past.

ROME TO MILAN, (or reverse🔄) | 11 DAYS

Tantalize your palate with rustic Croatian cuisine and fine Italian wines. See timeless works of art from the Rialto Bridge to the Sistine Chapel. Rest your eyes on red-roofed medieval Old Towns and the watercolor beauty of Krka National Park, all turquoise, teal, and emerald. And walk in places where history echoes with every step — the famous medieval City Walls of Dubrovnik, the silent streets of Pompeii, Split’s popular Riva promenade, in existence since Diocletian’s Palace was built some 1,700 years ago. Stand at the rail on your elegant yacht and take in the beauty of Kotor Bay and the Bay of Naples. Let Lake Como wow you with its jewel-like beauty and aristocratic elegance. Spend the night in Venice and ride a gondola through the moonlight. Magical moments, every one. And each detail is perfectly coordinated for you by Windstar.

YOUR CRUISE TOUR DAY-TO-DAY SNAPSHOTS

Colored descriptions indicate land tour portion.

DAY 1 • CIVITAVECCHIA (ROME), ITALY

Devour (or at least taste) 2,000 years of history: Stones brought to life by Michelangelo, the clash of ghostly gladiators in the Colosseum, the treasures of the Vatican. *Molto bello!*

DAY 2 • SORRENTO, ITALY

Heard of the Grand Tour? Sorrento was one of the stops designed to enlighten young European princes. Spend your time here surrounded by beautiful things — gardens, ancient villas, views across the Bay of Naples to Mount Vesuvius. Or visit the past in Pompeii or Herculaneum.

DAY 3 • GIARDINI NAXOS, ITALY

The charming village of Giardini Naxos is nestled in one of the world’s most beautiful bays. In its day it overshadowed rival Taormina — a neighboring town that’s much larger than it now. Take an optional excursion to see Taormina’s iconic Greek Theater, or the UNESCO site of Mount Etna, Europe’s most active volcano.

DAY 4 • AT SEA

DAY 5 • KOTOR, MONTENEGRO

The approach to Kotor offers one breathtaking fjord-like view after another. Just when you’ve reached your fill of blues and greens, the bright red rooftops of the

medieval Old Town — a UNESCO World Heritage Site — come into view. The timeworn, cobbled streets remain car free, leading to 12th century Baroque palaces, Romanesque churches, gorgeous gardens, and aristocratic mansions from days gone by.

DAY 6 • DUBROVNIK, CROATIA

While larger ships pass by, we anchor right beyond the famous city. The entire Old Town is a UNESCO World Heritage Site, and you can enjoy it all. Here, a copper-roofed cathedral. There, a fountain of masked faces spouting water. Discover a 14th century pharmacy tucked away in the

Tremezzo, Italy

Dubrovnik, Croatia

Franciscan Monastery, still operating after 700 years with dusty medieval remedies still lining the shelves.

DAY 7 • SPLIT, CROATIA

When Roman Emperor Diocletian decided to retire, he chose a spot that offered the best of both worlds — a beautifully scenic resort setting, and proximity to the urban pleasures of ancient Salona. The setting is still spectacular, and his palace, now a UNESCO site, is the fabric upon which the city grew. Beyond, you can go people-watching along Split’s popular Riva promenade, wander the pedestrian boulevard of Marmontova Street, or rub the toe of the statue of Gregory of Nin for good luck. Further afield, there’s dramatic Krka National Park with its spellbinding landscapes of gorges, lakes, and waterfalls.

DAY 8 • ROVINJ, CROATIA

Rovinj used to be a tiny island until the channel was filled in during the 18th century, so while the red terracotta roofs now spill inland, the Old Town is tidily self-contained. Hints of Italy are everywhere — in the signs, in the language, in the cuisine — thanks to having spent more than 500 years under Venetian rule. Seek out nearby Pula, a UNESCO World Heritage Site known for its ancient Roman buildings. Or the resort town of Porec with its 6th century Euphrasian Basilica, yet another UNESCO World Heritage Site.

DAY 9 • VENICE, ITALY

No other sea approach in the Adriatic raises goose bumps like Venice, where the entire city and its lagoon are a UNESCO World Heritage Site. Say farewell to your yacht and follow your private tour guide to Palace Bonvecchiati, a 4-star hotel just a stone’s throw from St. Mark’s Square. The hotel has been welcoming guests since 1790, and offers an upscale boutique hotel experience with contemporary comforts. Spend the afternoon at your leisure before a guided walking tour of St. Mark’s Square and the Rialto area, the perfect place to enjoy an Aperitivo.

(Includes overnight at the Palace Bonvecchiati.)

DAY 10 • VENICE TO LAKE COMO

Wake in the City of Love and greet the day with breakfast at the hotel before joining your guide for the drive to Verona — home of Romeo and Juliet, and part of Italy’s Veneto wine region, known for its quality wines. Spend some time at Cantina Mosconi Berta with its ancient 16th century cellars and splendid vineyard, and sample wines like the Amarone the winery was instrumental in creating. Then it’s off to the town of Cernobbio on Lake Como where you’ll find the 5-star hotel where you’ll spend the night.

(Includes overnight at the Lake Como hotel and breakfast.)

DAY 11 • LAKE COMO

After breakfast at the hotel, meet your guide for a private boat tour of Lake Como, a lake that’s been a popular retreat for aristocrats since Roman times. In Tremezzo, explore the beautiful gardens of Villa Carlotta. The Villa’s art collection and botanical gardens were an important stop on the European Grand Tour in the 17th and 18th centuries. Cross the lake to the village of Bellagio, considered the jewel of the lake. Located where the lake splits into two branches, the town climbs the hills in a series of alleyways and staircases lined with historic palaces and colorful shops. If the setting looks familiar, parts of the 2006 James Bond film *Casino Royale* were shot here, among other movies. Explore the town and dine at a restaurant overlooking the lake before returning by boat to your hotel. Spend the evening as you wish.

(Includes overnight at the Lake Como hotel, breakfast, and lunch.)

DAY 12 • MILAN, ITALY

Enjoy breakfast at the hotel on your last morning at Lake Como then transfer to the Malpensa Airport in Milan in time for your flight home.

(Includes breakfast and airport transfer.)

Afterwards, it's off to Cascais, once the retreat of the Portuguese nobility, where you can explore the narrow maze of century-old streets. SOUKS & SHERRIES: IBERIA & MOROCCO

LISBON TO BARCELONA, (or reverse) | 10 DAYS

Only the narrow Strait of Gibraltar separates Iberia from Morocco, and for nearly 800 years the Moors ruled the land to either side. They left behind sophisticated irrigation systems, *pueblos blancos* — whitewashed hillside villages — and palaces adorned with horseshoe arches, graceful domes, and vibrant *zellige* tiles. Influence flowed the other way as well, exporting Spanish traditions like the evening paseo, Mediterranean cuisine, and Andalusian music.

Watch elaborate tilework morph from the green geometric designs of the Moors to Lisbon's blue-and-white slices of life. Wander the arched passageways of Moorish fortresses in Andalusia, and Art Deco-inspired buildings in Morocco. Compare the saffron-infused flavor of Spanish paella with its spicier Moroccan cousin. Sip sherry in Jerez and mint tea in the souks of Tangier.

Discover where the two cultures meet, where they mingle, where they dance, and where they each go their own way.

PORTS OF CALL: Lisbon; Portimão; Gibraltar; Cádiz (overnight); Casablanca; Málaga (overnight); Cartagena; Barcelona

DEPARTURE DATES: *Star Legend:* Nov 3, 2022; Apr 22, 2023
Star Pride: Apr 6; Jun 13, 2023

INSIDER TIPS

- In Morocco, haggling is considered a normal part of shopping. Know what you're willing to pay before you start, and walk out if you can't get the price you want.
- In Portugal it's standard practice for waiters to bring you little dishes of olives, bread, cheese, and cold meats, but they are not free unless they are part of a set menu. If you don't want them, just politely send them back untouched.
- The best way to taste sherry is with something to snack on alongside. The sweeter the sherry, the easier it is to drink without food.
- The Alcazaba Palace is a highlight of any visit to Málaga. With an overnight in the city, you might make an evening visit to the Gibralfaro Viewing Point where you can see the Alcazaba and other key sites beautifully lit.
- Women should dress conservatively in Morocco to avoid unwanted attention. Keep a shawl or scarf handy, and if visiting mosques, cover down to your wrists and ankles.

KUSADASI: EVENING IN EPHESUS – A NIGHT TO REMEMBER

Enjoy a once-in-a-lifetime experience during this exclusive event, dining under the stars surrounded by Roman ruins as a string trio serenades you.

Enter Ephesus after hours when Windstar guests have the site all to themselves, and find tables set with fine linens and the sun setting right on cue. The ruins then light up as you dine on a 3-course meal of local cuisine accompanied by white glove service and a trio from the Aegean Chamber Orchestra.

Once an important trading stop along the Silk Road, this was one of the most beautiful and advanced cities of the ancient world. Guests on *Wind Star* will dine in the incomparable Celsus Library, where scholars once read papyrus scrolls by window light. Guests on *Star Pride*, *Star Legend*, or *Wind Surf* will walk the marble-lined streets to Harbor Street, the grand boulevard that once received travelers from merchants and sailors to Marc Antony and Cleopatra.

Everything is just as you'd expect. No crowds. No rush. Delight in every detail.

“Arriving after hours, with no tourists. We were left to explore the ancient Marble Road. Soon a beautiful voice echoed from the amphitheater – a fellow passenger testing the amazing acoustics. It was the perfect prelude to a fabulous dinner and concert in front of the Celsus Library, a setting which cannot be duplicated.”

SPANISH SYMPHONY

LISBON TO BARCELONA, (or reverse) | 8 OR 9* DAYS

Spain wears its soul on its sleeve along the Costa del Sol. Elegantly designed Moorish castles, stunning white beaches, vibrant flamenco dancers. You'll discover hidden treasures in the form of *pueblos blancos*, or white villages inland. Perched precariously on the Sierra Nevada like flocks of mountain goats, villages like Mojacar and Mijas stand out, charming visitors with their Old World vibe.

Artists are drawn to these towns with their Moorish block houses, bright white walls, and jaw-dropping views of the sparkling Mediterranean, and around just about every corner you'll encounter photo-worthy scenes. Burro taxis park outside shops, bougainvillea spills from balconies, and cobblestone plazas invite you to sit a while and listen to the gurgling of 14th century fountains. It's a side of Spain few people see, but one that's within reach when you explore on a small Windstar yacht.

WORDS LIKE MOOR, LOCH, AND GEYSER were born in this land, because no existing vocabulary could adequately describe these extraordinary landscapes. These regions could just as easily have coined a term for Fabergé palaces of amber and gold, rainbows captured in a waterfall's spray, and storybook cities crisscrossed by canals and flower markets, all of which are here in abundance. But as your elegant yacht traces its way through enchanting fjords and forgotten archipelagos, you won't need words. You are speechless.

FEATURED PORTS:

Heimaey Island, Iceland – Off the south coast of Iceland there's an archipelago called the Westman Islands, and the largest of these is Heimaey. The area is famous for its bird life, including the world's largest puffin breeding colony, but it's also known for its geology. In 1973, a volcano on the island erupted and hot lava threatened its only harbor. Before evacuating, the locals sprayed seawater on the advancing lava, stopping its advance and saving the harbor. Now reoccupied, the island offers a rare glimpse of the old town — a modern-day Pompeii.

Binz, Germany – Few people outside of Germany know about this Baltic jewel with its sandy beaches dotted with Strandskörbe (beach baskets) and elegant seaside walkway. The island was the preferred playground of the German elite during the late 1800s. Binz is conveniently close to Jasmund National Park with its dramatic white chalk cliffs, as well as a U-boat museum.

OUR NORTHERN EUROPE ITINERARIES make the most of long summer days and offer extensive scenic cruising so you can appreciate the breathtaking fjords of Norway and Iceland. See the don't-miss sights you've dreamed of, but get closer as we dock within walking distance of many historic downtowns. Then go beyond, to far-flung British Isles that few ever see, to tiny towns around the fringe of Iceland, and up storied fjords like Geirangerfjord and Sognefjord with their majestic mountains, picturesque cliff farms, and spectacular waterfalls.

COMPREHENSIVE ICELAND CRUISE TOUR

REYKJAVIK TO REYKJAVIK | 10 DAYS

Make the most of your travel time to the far north as you embark on an extensive exploration of Iceland's inland and coastal wonders. Venture to untouched regions where natural beauty reigns supreme, peppered with steamy hot springs, iridescent ice caves, spectacular waterfalls, and brooding volcanoes. Bask in the steamy comfort of cerulean hot springs encircled by black lava fields. Wander Reykjavik's cultural museums and make your way along inviting side streets where former fishing homes offer basement bars, artisan boutiques, and local coffee houses. Spend an evening in colorful and quirky Seydisfjordur, a summer haven for artists and a jumping-off point for naturalists and scientists studying seabirds and other wildlife. From Icelandic culture to surreal landscapes, this is a journey that rewards you at every turn.

YOUR CRUISE TOUR DAY-TO-DAY SNAPSHOTS

Colored descriptions indicate land tour portion.

DAY 1 • REYKJAVIK, ICELAND

The world's most northerly capital enjoys almost 24-hour sunlight in summer, all the better to show off the city's eclectic architecture and dazzling natural wonders. Your English-speaking guide and driver meet you at the airport and take you to The Grand Hotel near the city center. If you like, walk to the nearby Saga Museum to brush up on Icelandic history, or catch a peek of historic Hofdi House, site of the 1986 summit between Ronald Reagan and Mikhail Gorbachev that effectively ended the Cold War. Get a good night's sleep, because tomorrow will be a busy one.

(Includes overnight at The Grand Hotel and airport transfer.)*

DAY 2 • BORGARFJORDUR & HUSAFELL, ICELAND

After breakfast, head to Borgarfjordur from Reykjavik. This region was the setting for most of the Icelandic sagas and you'll learn some folk tales as you view the short, fierce rapids of Barnafoss Waterfall and the series of rivulets that form Hraunfossar Waterfall. After lunch, step into the dazzling, blue-hued Langjokull Ice Tunnels and marvel at the natural beauty of one of the most striking glacier caves in Iceland. Enjoy a 3-course dinner at your hotel before retiring.

(Includes overnight at the Hotel Hagar, breakfast, lunch, and dinner.)*

WHAT'S INCLUDED

- Guided trek through the glowing blue ice caverns beneath Langjokull Glacier, the second largest glacier in Iceland
- Spa time in the steamy comfort of the geothermal Blue Lagoon
- Tour of the Secret Lagoon natural hot springs, where rising steam gives the area a magical feel
- Hotel stays at the luxurious art deco Grand Hotel* in Reykjavik and the rustic-modern Hotel Hagar*
- Guided tour of Pingvellir National Park, a UNESCO World Heritage Site and the most important historical site in Iceland — site of the world's oldest democratic parliament founded in 930
- Guided tours of Gullfoss Waterfall, Barnafoss Falls, and Hraunfossar Falls
- 7-day cruise round trip from Reykjavik aboard newly transformed all-suite Star Pride or Star Legend

**Or similar class hotel*

DAY 3 • PINGVELLIR NATIONAL PARK, STOKKSEYRI

Explore remarkable Pingvellir National Park after breakfast. This UNESCO World Heritage Site is where the world's oldest democratic parliament was founded in 930, and is also where the North American and Eurasian tectonic plates meet. Because of this unique geography, Iceland has magma close to the surface — one of the criteria required to produce geysers. See this in action at nearby Strokkur Geyser

Heimaey Island

Langjokull Ice Tunnel

before lunch at Hotel Geysir. Next up is Pingvellir, Gullfoss, Geysir falls — together they are known as the Golden Circle. Travel to the small village of Fludir, home to the Secret Lagoon natural hot springs, then to the village of Stokkseyri for a dinner of local dishes before heading back to Reykjavik and The Grand Hotel.

(Includes overnight at The Grand Hotel breakfast, lunch, and dinner.)*

DAY 4 • REYKJAVIK TO THE YACHT, BLUE LAGOON

Breakfast at the hotel before seeing the sights of Reykjavik. Experience the Iceland of the past at the Open-Air Museum at Arbaer, take in panoramic views of the city from Perlan planetarium’s observation deck, and admire the skyline-dominating tower of Hallgrímskirkja church. Wrap up the day with an iconic experience — bathing in the famous Blue Lagoon — before heading to your waiting yacht.

(Includes breakfast and transfer to yacht.)

DAY 5 • HEIMAÆY ISLAND, ICELAND

Witness a world still in transition as we explore two lands — one created by a volcanic eruption and one nearly destroyed by one. As we circle Surtsey Island, a UNESCO World Heritage Site, you’ll get to see one of the newest islands on the

planet. Surtsey rose from the sea in the 1960s and offers a unique opportunity to study how species colonize a virgin land. Next up, Heimaey Island. Back in 1973, Eldfell Volcano erupted without warning, swallowing much of the main town and turning the rest into a modern-day Pompeii.

DAYS 6/7 • SEYDISFJORDUR, ICELAND

Wind your way up the 11 mile-long Seydisfjord, a narrow, beautiful waterway surrounded by high mountains. At the head of the fjord is Seydisfjordur, a small, scenic town where cascading waterfalls seem to be everywhere. During our overnight stay you’ll have time to enjoy this beautiful part of the country and its unusual claims to fame, including a lake with a mythical “Ness” and Iceland’s largest national forest. Bird watchers won’t want to miss Skalanes Nature Reserve with its more than 45 bird species. Trekkers can make their way to spectacular Hengifoss Waterfall. Or simply stroll the quaint town of 700 with its colorful Norwegian kit-houses shipped in at the turn of the century.

DAY 8 • AKUREYRI, ICELAND

Akureyri nestles like a gem at the head of Iceland’s longest fjord. It’s just a stone’s throw from the Arctic Circle, yet it offers some of Iceland’s warmest weather and a rare ice-free harbor. It’s due to this strange

geographic quirk that the town became a famous trading center under the Danes, and also accounts for the town possessing one of the northernmost botanical gardens in the world with a greenhouse that’s geothermally heated. Spend your day riding an Icelandic Horse across the Icelandic countryside, or go for a soak in the sky-blue Myvatn Nature Baths.

DAY 9 • ISAFJORDUR, ICELAND

A breathtaking journey up Ísafjarðardjúp Bay precedes our arrival in Isafjordur, surprisingly urbane for a village of 2,600. Old Town’s 19th-century buildings take you back to the days of the tall ships, while the abandoned town of Hesteyri remains frozen in the 1940s. This is another great port for bird watchers as Vigur Island is teeming with puffins, eiders, guillemots, and Arctic terns.

DAY 10 • GRUNDARFJORDUR, ICELAND

Viking sagas come to life here, as does Jules Verne’s tale *Journey to the Centre of the Earth*. You may share the inspiration to set pen to paper, but don’t feel bad if words fail you. The views defy description.

DAY 11 • REYKJAVIK, ICELAND

Disembark back in Reykjavik with its surprisingly vibrant local museum and art scene.

AROUND ICELAND

REYKJAVIK TO REYJAVIK | 7 DAYS

Dramatic scenery and curious communities coalesce on this weeklong circumnavigation of Iceland. Explore a country everyone wants to visit, and go far beyond the tourist hotspots to remote fjords, raging waterfalls, and small fishing villages. Get to know the independent and creative Icelanders and watch whales and seabirds play offshore.

Go in-land and combine the best of land and sea with our *Comprehensive Iceland Cruise Tour*.

ICELANDIC HORSES

In Akureyri, a major fishing port close to the Arctic Circle, is where you can ride an Icelandic horse — a distinct breed and a top experience for visitors to the country. The 2-hour tour includes one hour on a guided horseback ride along the Eyjafjordur River with a view of surrounding mountains. Viking settlers brought this breed of horse to the island between 860 and 935 CE. They used them for transportation, to plow fields, and to transport wares.

No other horses are allowed on the island, and if an Icelandic horse leaves the island, it cannot return. It's a unique breed and Icelanders are especially proud of it. The Icelandic horse is

generally 56 inches tall, broad at the withers with muscular legs. It's considered the purest breed of horse in the world.

Horses are still a big part of life in Iceland. Many races are held throughout the country. In the winter, events are held on frozen bodies of water. Regular shows are held which focus on the quality of the breed and farmers in the highlands still use them to round up sheep. But most horses are used for leisure riding like the tour in Akureyri and in competitions.

A horse is the perfect partner for taking you to see the fire and ice of Iceland — remote, off road places you can't access by a motorized vehicle.

TRANSOCEANIC

TIME HANGS SUSPENDED LIKE THE MOON *above. Pleasures linger like fine wine on the palate rather than being rushed along by the turbulence of daily life. You've never had days like this — free of obligation and with no ruler for success other than meeting your pillow with a smile. You've never seen stars like this — pushing back the abyss of space with impossible brightness. Progress is measured in intimate conversations, sunrises and sunsets, visits to the Bridge, a massage in the spa. There are magical ports on the horizon, yes, but your desire for haste has somehow dissolved away in a sea of serenity.*

GENERAL CRUISE TERMS & CONDITIONS

All itineraries, schedules, and ports are correct at time of publication but are subject to change without notice. “Windstar Cruises,” “Windstar,” “We,” and “Us” refer to Windstar Cruises Marshall Islands, LLC, a Limited Liability Company that owns and operates the cruise line known as Windstar Cruises. “You,” “passenger” and “guest” refer to persons travelling with Windstar and those in their care, such as minor children. Due to the small size and intimate nature of our yachts, Windstar Cruises is unable to accommodate children under eight (8) years of age. Guests under 21 years of age must be accompanied by a parent, guardian, or chaperone in their stateroom or suite who is at least 25 years old; one adult (age 25 or older) chaperone is required for every five (5) people under 21.

Should you need to contact Windstar Cruises prior to cruising, use this address: Windstar Cruises, 8400 N.W. 36th Street, Suite 520, Miami, Florida 33166, U.S.A.

PASSAGE CONTRACT: All cruises are provided subject to the terms of the Windstar Cruises Passage Contract, found at <http://bit.ly/2puTq7y> and which contains important, comprehensive additional terms governing your cruise with us including among other things limits on claims and liability, resolution of claims, etc. For passengers who book cruises through a UK or EU travel advisor, a modified version of the passage contract will apply, referred to as the Conditions of Carriage, as provided by your travel advisor.

CRUISE ONLY FARES: Your fare includes ocean transportation, stateroom or suite accommodations, and all meals and entertainment on board the yacht. Not included, however, are items of a personal nature, such as alcoholic beverages, laundry, transfers prior to or after your cruise, or optional programs or activities. Shore excursions and airfare are available for an additional charge. All rates shown are per person based on double occupancy. Fares are published in U.S. dollars (USD).

Note: Third-person rates are available upon request. For further information on fares, nondiscountable amounts, taxes, and surcharges, please see below.

SINGLES: Single occupancy of a stateroom is generally 175% of the published per person stateroom cruise fare (200% of the Owner’s Suite, Suites, and Bridge Suites per person cruise fares) and is subject to availability.

WINDSTAR FARE PRICE ASSURANCE POLICY: Guests who purchase a cruise on Windstar will be eligible for reimbursement upon request if the fare published by Windstar for their specific departure and cabin class is reduced after they have made a booking and deposit, and if the request is received by Windstar at least 90 days prior to sailing. The reimbursement will be provided in the form of a shipboard credit, upgrade, fare reduction, or a future cruise credit. Windstar will determine the form of reimbursement, and the amount of reimbursement will be the difference between the fare actually paid by the guest and the published fare on WindstarCruises.com the day the request is received. Guests who select reimbursement will be eligible for any complimentary inclusive features (e.g., hotels, air, tours) associated with the new fare and will forfeit any complimentary inclusive features associated with the original fare. All requests for reimbursement must be made directly to Windstar Cruises at 800-258-7245 (during regular reservations hours) at least 90 days prior to sailing. Windstar’s new fare pricing assurance policy took effect with new bookings August 15, 2018. Windstar reserves the right to modify or terminate this policy at any time for bookings not yet made. Policy does not apply to certain promotions or guests outside of the U.S. or Canada.

RESERVATIONS AND PAYMENT: Windstar Cruises works with travel advisors worldwide to serve your needs. Reservations either made by or assigned to a travel advisor must be managed by the agency of record. While Windstar is unable to provide specific booking information on travel advisor bookings, we are happy to answer general questions. Alternatively, you may reserve your cruise directly with us if you prefer. Since accommodations are limited by the number of staterooms or suites on each yacht, reservations should be made as early as possible. Payment for your Windstar cruise is to be made to the travel advisor

with which you made your reservation, or to Windstar Cruises directly. Travel documents will be issued when full payment has been received by Windstar Cruises. Refunds for cancelled or unused services will be made, less any applicable cancellation fees and charges. If you have reserved your cruise with your travel advisor, please be aware that additional cancellation fees charged by the travel advisor may apply.

DEPOSIT AND FINAL PAYMENT REQUIREMENTS: Immediate deposit of 15% of cruise fare, hotel, and non-discountable amounts is required within 3 days of booking to secure a reservation. Final payment is due prior to 60 days before departure date. For all other departure dates, final payment is due prior to 90 days before departure date.

Your documents are usually received approximately 60 days prior to departure. Travel documents, however, are only issued after final payment has been received by Windstar. Send all payments to Windstar Cruises, 8400 N.W. 36th Street, Suite 520, Miami, Florida 33166 U.S.A. Payment is also welcome by American Express®, Visa®, Discover®, or MasterCard®. For faster processing, please include your confirmation number on your check. All charges are in USD. Windstar is not liable for any currency exchange rate or foreign exchange fee imposed by the account holders’ bank or credit card company. Payment of the cruise deposit and Travel Protection Plan (if applicable) constitutes a binding of the Terms & Conditions and Passage Contract.

LATE BOOKING POLICY: On bookings within 45 days of departure, Windstar Cruises requires final payment before we can initiate the process of requesting hotel and/or air space. We are unable to make air or hotel requests on bookings within 14 days of departure or transfer requests on bookings within 7 days of departure. Additionally, Windstar Cruises will advise you of the status of the booking request within five (5) working days of receipt of final payment. If your request is confirmed, electronic tickets will be sent via email. If we are unable to confirm your late booking all monies paid to Windstar will be refunded in full. Changes or additions to the cruise package (e.g. transfers, special services, gifts, or onboard packages) cannot be made within seven (7) days of departure and should be requested once you are on board the yacht.

CANCELLATION POLICY: Each booking cancelled before 120 days prior to travel will be subject to a \$50 per person cancellation fee. A full refund (except for the amounts paid for air, a Cancellation Protection Plan, and the \$50 per person fee) will be made for written cancellations received by Windstar Cruises at least 121 days prior to the date on which you are to commence travel by any mode of transportation booked through Windstar Cruises (sea or land air travel is non-refundable once purchased). Guests who cancel after that date for any reason, including medical or family reasons, are subject to the following cancellation schedule:

120-90 days before commencing travel – 15% of gross fare (deposit)

89-60 days before commencing travel – 35% of gross fare

59-30 days before commencing travel – 50% of gross fare

29-0 days before commencing travel – 100% of gross fare

Windstar can only be responsible for refunding amounts actually received by Windstar Cruises. Travel agencies may impose their own cancellation fees. Agency fees of any nature are a matter to be decided on solely by the agency and guests. Windstar Cruises contracts are non-transferable. Name changes and departure date changes are considered reservation cancellations/re-bookings and are subject to cancellation fees. Changes require the prior approval of Windstar and may not always be possible. Guests who purchased the Travel Protection Plan must submit a claim through Aon to receive a refund or credit of cancellation fees as determined by the insurer.

If you or Windstar cancels a tour or shore excursion more than 5 business days prior to your cruise departure date, you will be issued a credit on the credit card you used to pay for your shore excursion reservation. For any cancellations less than 5 days before departure but before the cancellation deadline you will receive an onboard credit where your refund will show up as a credit to your

shipboard account. If the credit is not fully utilized during your cruise, the balance will be credited back to your credit card by the yacht's purser.

When you embark on your cruise you will be given a shore excursion booklet and shore excursion booking form. The booking form has a cancellation deadline listed for the shore excursions for each port. If you cancel your tour reservation after the booking deadline stated in the Booking Form, a 100% cancellation fee will apply, since transportation and services will have already been arranged.

REFUND POLICY AND INSTRUCTIONS: If Windstar Cruises delays your cruise for more than 3 calendar days or cancels your cruise, and you choose not to travel on the delayed cruise or do not accept an alternative cruise, you are entitled to a refund of cruise fare and charges for accommodations, services and facilities (including port fees, taxes and other ancillary fees paid to Windstar Cruises) for the delayed or cancelled cruise. If you booked your cruise directly with Windstar Cruises, to claim a refund please submit a copy of the booking confirmation, proof of payment, and a copy of the delay or cancellation notice by email to info@windstarcruises.com within 90 days of the original embarkation date of your delayed or cancelled cruise. You may also contact us at 800-258-7245 (Monday through Friday from 9:00 a.m. to 9:00 p.m. (Eastern Time), and from 10:00 a.m. to 6:00 p.m. (Eastern Time) on Saturday). If you booked through a travel advisor, please contact your advisor for assistance. We will review the refund request and respond by email within 180 days of the date you or your travel advisor submits your claim. If you are entitled to a refund, Windstar Cruises reserves the right to offer you future cruise credits as an alternative to a refund, but you are free to require a cash refund instead.

ADDITIONAL DEFINITIONS: "Yacht" or "Ship" refers to the vessel that will provide the ocean transportation portion of the cruise. "Cruise" refers to the specific cruise purchased by you, and shall include periods during which you are embarking or disembarking the Yacht or are on shore while the Yacht is in port. "Initial Departure" means the time at which you first begin transit by any means of transport booked by us (including air transportation) for the purpose of taking the Cruise. "Windstar Air Package" refers to air transportation booked for you by Windstar Cruises to enable you to travel to and from your Cruise. "Windstar Land Package" includes any shore activity before or after the Cruise or ashore during the Cruise arranged for you by us in connection with your Cruise.

PROHIBITED ITEMS; DRUG & ALCOHOL RESTRICTIONS; BAGGAGE: The following are strictly prohibited on the Ship and during all aspects of the Cruise, Windstar Land Package, and shore excursions: radioactive materials, recreational and medicinal marijuana and other controlled substances under USA law (see United States DEA Drug Schedules at www.dea.gov/druginfo/ds.shtml) or any under any foreign jurisdiction the Ship enters (except lawfully obtained and transported prescription drugs other than marijuana), firearms, ammunition, weapons, fireworks, aerial drones, illicit or hazardous materials, hand irons, water heaters, and candles. Passengers are allowed to bring aboard two (2) bottles of wine or champagne (750ml) per cabin for their enjoyment onboard for a 7-day Cruise or three (3) bottles for an 8-day (or longer) Cruise. Passengers may consume these permitted outside beverages in public areas on the Ship, but a small corkage fee (approximately US\$15 + 15% gratuity) will be applied to the passenger's onboard account. All additional outside alcohol (meaning wine, beer, and/or hard alcohol) including alcohol purchased at ports of call along the Cruise route, will be kept by the Ship's purser and delivered to the passenger's cabin the last evening of the Cruise. We will carry as baggage only your personal effects consisting of wearing apparel, toilet articles, and similar items for your wearing, comfort, or convenience during the Cruise and not belonging to or intended for use by any other person or for sale. For loading and unloading the Ship and other means of transportation, all baggage must be tendered for carriage in securely constructed and locked suitcases or trunks. All baggage must be able to be safely stowed in your cabin on the Ship. The only animals permitted to accompany you are service dogs trained to do work or perform tasks for passengers with disabilities; you are responsible for complying with governmental health, documentation, and other requirements as to recognized service dogs.

We do not accept to carry as baggage or assume any liability for any loss of or damage to or delay of trade goods, household goods or furniture, perishable items, medicine, liquor, cash, credit or debit cards, jewelry, gems, gold, silver, precious metals, art, collectibles or similar valuables, securities, financial instruments, records, or other valuable or business documents, computers, cellular telephones, cameras, hearing aids, electric wheelchairs, scooters, or other video or electronic equipment, binoculars, film, videotape, computer disks, audio disks, tapes, DVDs or CDs, or other articles specified in 46 U.S. Code Section 30503. These items should not be left unattended about the Ship or your cabin, nor should they be left unattended on other vessels, railcars, taxis, or other vehicles or in hotels, nor placed in luggage other than a bag that you carry with you. In addition, we do not assume any liability for any loss of or damage to carry-on baggage on the Ship or on the other means of transportation or in hotels. The Ship and certain hotels may be equipped with cabin or room safes or safe-deposit boxes in the Ship's or hotel's Front Office; using these facilities will not, however, increase our liability as provided in the Passage Contract.

NON-WINDSTAR CRUISES SERVICES; ITINERARY CHANGES: These include non-Windstar Cruises Services such as airlines and other off-ship transportation carriers, shore excursions (other than the limited number of shore excursions operated by Windstar), and accommodations. Non-Windstar Cruises Services are solely at your risk and subject to the terms or arrangements made by you. Windstar Cruises assumes no responsibility with respect to these non-Windstar Cruises Services including delay, injury, death, or damage to property. Situations may arise that, in the opinion of Windstar Cruises, make it necessary for Windstar Cruises to cancel, advance, or postpone a scheduled departure, change itineraries, or make substitutions involving ports of call, other travel components, vessels, or other modes of transportation. These situations may include, by way of example, concerns regarding weather conditions, issues involving safety matters, alternative business arrangements, or charters resulting in the decision to withdraw a Cruise from public sale, or requirements of governmental authorities. If this should occur, Windstar Cruises does not assume responsibility or liability for any losses, inconvenience, or expenses incurred -by guests as a result. Please see the Windstar Cruises Passage Contract for further details.

PUBLIC HEALTH, COVID-19 PRACTICES & PROCEDURES, UNDERSTANDING & KNOWING ACCEPTANCE OF RISKS OF TRAVEL: (a) COVID-19 and Other Communicable Disease Policies and Procedures. Passenger understands that Windstar Cruises' COVID-19 and other communicable disease policies and procedures may or will include (but are not be limited to): (1) providing an accurate, truthful and complete health questionnaire in a form and containing any and all health or travel-related questions as required by Windstar Cruises in its sole discretion, for each Passenger prior to boarding; (2) pre-embarkation and/or periodic testing and temperature checks of each Passenger followed by a period of isolation until test results are available; (3) modified capacity rules for activities, which may limit or eliminate the ability of Passenger to participate in particular activities; (4) mandatory use by each Passenger of face coverings in most locations outside of the Passenger's cabin while onboard, during embarkation, disembarkation and shore excursions; (5) mandatory social distancing of Passengers at any/all times while onboard and during embarkation, disembarkation, and shore excursions; (6) additional restrictions during shore excursions depending on local conditions, including but not limited to denial of disembarkation at destinations unless participating in only Windstar Cruises-approved shore excursions; (7) mandatory hand sanitizing by Passenger upon entry or exit of any public areas; (8) confinement of Passengers to cabins, quarantine or emergency disembarkation of Passenger if, in Windstar Cruises' sole discretion, such steps are necessary to prevent or slow the spread of COVID-19 or any other communicable disease; (9) the required completion by Passenger in a timely manner of any written authorizations or consent forms required for Windstar Cruises to carry out its COVID-19 and other communicable disease policies and procedures (including but not limited to medical information, medical privacy, or personal data privacy consent forms), and; (10) other policies and procedures deemed by Windstar Cruises in its sole

GENERAL CRUISE TERMS & CONDITIONS *continued*

discretion to be necessary to reduce the risk of spread of COVID-19 and other communicable diseases.

(b) Compliance with COVID-19 Policies and Procedures is Required. Notwithstanding any other provision contained herein or in Windstar Cruises' refund policies and procedures, any noncompliance by Passenger or members of Passenger's travelling party with Windstar Cruises' COVID-19 and other communicable disease policies and procedures or this Contract shall be grounds for refusal to board, refusal to re-board after going ashore, quarantine onboard the Vessel, disembarkation, reporting to governmental or health authorities, or other steps deemed necessary in Windstar Cruises' sole discretion under the circumstances to protect the health and well-being of others. Under these circumstances, Passenger shall not be entitled to a refund or compensation of any kind. Passenger will be responsible for all related costs and fines, including without limitation travel expenses and for proper travel documentation for any port, or for departure from or arrival to Passenger's country of residence. Under no circumstances shall Windstar Cruises have any other liability for any compensation or other damages or expenses whatsoever incurred by any Passenger as a result of such denial of boarding, refusal to re-board, quarantine, disembarkation, or other steps taken by Windstar Cruises.

(c) Passenger Health Screening Pre-Cruise. Passenger agrees that Windstar Cruises may conduct pre-embarkation screening for COVID-19 and other communicable illness. Passengers should refer to Windstar Cruises' website for standards and updates on pre-embarkation screening protocols. If Windstar Cruises determines in its sole discretion that Passenger is unfit to board because of COVID-19 or any communicable illness, Windstar Cruises may deny boarding to such Passenger.

(d) Passenger Testing Positive for COVID-19 During Cruise. Passenger understands and agrees that if, after boarding, and even if Passenger has fully complied with all COVID-19 policies and procedures, Passenger tests positive for COVID-19 or exhibits signs or symptoms of COVID-19, Windstar Cruises may disembark, refuse re-boarding, or quarantine Passenger as well as members of Passenger's travelling party, or take other steps which Windstar Cruises determines, in its sole discretion, are necessary under the circumstances to protect the health and well-being of others. Under no circumstances shall Windstar Cruises be liable to any such Passenger for any costs, damages or expenses whatsoever incurred by any Passenger.

FITNESS TO TRAVEL; SPECIAL MEDICAL CARE:

(a) Consultation with Personal Physician. Passengers are encouraged to discuss the advisability of travel with their personal physicians and to review the U.S. Centers for Disease Control and Prevention ("CDC") website for updated information. The CDC has identified elderly persons and persons with certain chronic medical conditions as being at increased risk of life-threatening complications from being infected with COVID-19. PASSENGER ACKNOWLEDGES, UNDERSTANDS AND ACCEPTS THAT DURING TRAVEL TO AND FROM THE SHIP, WHILE ABOARD THE SHIP, OR DURING ACTIVITIES ASHORE, PASSENGER OR OTHER PASSENGERS MAY BE EXPOSED TO COMMUNICABLE ILLNESSES, INCLUDING BUT NOT LIMITED TO COVID-19 AND ITS VARIANTS, INFLUENZA, COLDS, NOROVIRUS, AND POTENTIALLY DISEASES NOT YET KNOWN. PASSENGER FURTHER UNDERSTANDS AND ACCEPTS THAT THE RISK OF EXPOSURE TO COMMUNICABLE ILLNESSES AND OTHER DISEASES IS INHERENT IN MOST ACTIVITIES WHERE PEOPLE INTERACT OR SHARE COMMON FACILITIES INCLUDE PERSON TO PERSON CONTACT, IS BEYOND WINDSTAR CRUISES' CONTROL, AND CANNOT BE ELIMINATED UNDER ANY CIRCUMSTANCES. PASSENGER KNOWINGLY AND VOLUNTARILY ACCEPTS THESE RISKS AS PART OF THIS TICKET CONTRACT, INCLUDING THE RISK OF SERIOUS ILLNESS OR DEATH ARISING FROM SUCH EXPOSURES, AND/OR ALL RELATED DAMAGES, LOSS, COSTS AND EXPENSES OF ANY NATURE WHATSOEVER.

(b) Availability of Medical Care, including Medical Evacuation, and Passenger's Warranty of Fitness to Travel. Passenger acknowledges that due to the nature of travel by sea and the ports visited, the availability of medical care onboard the Ship and in ports of call may be limited or delayed and medical evacuation may not be possible from the Ship while at sea or from every location to which the Ship sails. Passenger further understands that there may be circumstances beyond Windstar Cruises' control, which may prevent or delay a medical evacuation or disembarkation. In addition to the specific representations required of Passenger regarding COVID-19 vaccinations, Passenger warrants that the Passenger, and those for whom the Passenger is responsible, are fit to travel at the time of embarkation.

(c) Medical Care and Personal Services. To the extent Passengers retain the services of medical personnel or independent contractors on or off the Ship, Passengers do so at their sole risk.

(d) Representation of Fitness to Travel. In addition to the specific representations required of Guest regarding COVID-19 vaccinations, Passenger warrants that the Passenger, and those for whom the Passenger is responsible, are fit to travel at the time of embarkation.

(e) Pregnancy. Passenger agrees not to present herself for boarding under any circumstances if, by the time the Passenger commence her travel with Windstar Cruises, she will have entered the 24th week of pregnancy.

(f) Special Needs. Any Passenger with mobility, communication or other impairments, or other special or medical needs that may require medical care or special accommodations during the cruise, including but not limited to the use of any service animal, should be reported to Windstar Cruises by the Passenger when a reservation is requested. Passenger agrees to accept responsibility and reimburse Windstar Cruises for any loss, damage or expense whatsoever related to the presence of any service dog brought on board the Vessel. Passengers with special needs are advised that certain international safety requirements, shipbuilding requirements, and/or applicable regulations may cause difficulty for mobility impaired persons or persons with severely impaired sight and/or hearing. Passengers requiring the use of a wheelchair must provide their own wheelchair (that must be of a size and type that can be accommodated on the Ship), which should be confirmed at the time of the reservation. Passenger acknowledges that standard cabins are not designed to be barrier free and wheelchair accessible.

(g) Limitation of Liability for Denial of Boarding / Repatriation for Passenger Noncompliance with this Contract. Windstar Cruises shall have the right to deny boarding for violations of any of the pre-cruise policies set forth in this Contract. If Windstar Cruises exercises its rights to deny boarding, Passenger shall have no claim against Windstar Cruises whatsoever, and Windstar Cruises shall have no liability for refund, compensation loss or damages of Passenger, including but not limited to any expenses incurred by Passenger for accommodations or repatriation.

FARES, NON-DISCOUNTABLE AMOUNTS, TAXES, FEES, PORT EXPENSES, AND SURCHARGES: Windstar Cruises reserves the right not to honor any published prices that it determines were erroneous due to printing, electronic, or clerical error. Each Cruise fare includes a Non-Discountable Amount. That portion of the fare is both non-commissionable to travel professionals and not subject to reduction in the event of a percentage discount promotion, 2-for-1 promotion, or otherwise. If cost factors dictate the need for fare increases, Windstar Cruises may do so at any time prior to departure. Guests can cancel (without paying a cancellation fee) rather than accept a fare increase. Suggested onboard gratuities are extra.

Taxes, Fees & Port Expenses, as used by us, may include, without limitation, all or a portion of all fees, charges, tolls, and taxes imposed on us by governmental or quasi-governmental authorities, as well as third party fees and charges arising from a vessel's presence in a harbor or port. Taxes, Fees & Port Expenses may include U.S. Customs fees, head taxes, Panama Canal or other canal tolls, passenger facilities charges, dockage fees, wharfage fees, inspection fees,

pilotage, air taxes, hotel or VAT taxes incurred as part of a land tour, immigration and naturalization fees, and Internal Revenue Service fees, as well as fees for navigation, berthing, stevedoring, baggage handling/storage, and security services. Taxes, Fees & Port Expenses may be assessed per passenger, per berth, per ton, or per vessel. Assessments calculated on a per ton or per vessel basis will be spread over the number of passengers on the Ship. Taxes, Fees & Port Expenses are subject to change (but will not change after assessment due to currency fluctuations) and we reserve the right to collect any increases in effect at the time of sailing even if the fare has already been paid in full. Windstar Cruises reserves the right to impose or pass through fuel surcharges, security surcharges, or similar incidental surcharges. No right of cancellation exists under these circumstances.

YACHTS OWNERSHIP AND REGISTRY: All Windstar Cruises Yachts are registered in the Bahamas and owned by Windstar Cruises Marshall Islands, LLC. Yacht ownership and registry are subject to change.

TRANSFERS/PRE- & POST-CRUISE SERVICES: Services for Windstar Cruises cruise-only guests (individuals who do not purchase air transportation or cruise extensions from Windstar Cruises) begin with embarkation at the noted time in your Cruise documents. Any transfers, meals, and dayroom accommodations required prior to this time are the responsibility of the guest. Please make a note of this, as many international flights arrive several hours prior to the scheduled embarkation time. Guests may purchase a transfer from local airport to yacht for day of cruising and from yacht to local airport for day of disembarkation directly through Windstar Cruises Vacation Planning. Guests flying on dates other than the date of (dis)embarkation must arrange their own transfers unless the reason for the different date is because of the purchase of a cruise extension from Windstar Cruises. Transfers for these guests will be arranged between airport, hotel, and pier, as appropriate, so long as the transfer dates coincide with the dates of the services purchased from Windstar Cruises.

SHIPBOARD ACCOUNT AND CURRENCY EXCHANGE: Our cashless society is designed to make your life on board as simple as possible. When you board the Yacht, your account has already been activated and you may make purchases by simply showing your guest identification card and signing a receipt. On embarkation day, you will need to register your credit card (Visa®, Discover®, MasterCard®, or American Express®) in order to use your onboard account for shipboard purchases. We do not accept debit cards or prepaid cards. Your card will be pre-authorized for USD \$60 per person for each day of your Cruise. At the end of your Cruise, you will receive a final statement, and your card will be charged only for the actual amount of your purchases.

Please inform your credit card issuer in advance that your card will be used on a Windstar Yacht. This will help prevent delays in obtaining pre-authorization on board. Products and services on board are in USD. Windstar is not liable for any foreign exchange fees imposed by your card issuer. There are no currency exchange services offered on board.

WINDSTAR AIR PACKAGE ARRANGEMENTS BY WINDSTAR CRUISES MARSHALL ISLANDS, LLC: If you are purchasing a Windstar Air Package, we will arrange for air transportation to the departure point of your Cruise and return air transportation from the termination point of your Cruise to the home city from which you departed. Due to the special fares and capacity controls we have with airlines, we retain the right to select carriers and determine routings. Some routings may involve travel to or from an airport other than in the city where the Ship embarks or disembarks. In those cases, motor coach transportation to and/or from the Ship will be provided. Flight schedules and/or availability may require overnight hotel accommodations either to join and/or to return from your Cruise. Due to airline schedules (and occasionally, lack of flight availability), travel between many major cities and your Cruise may require one (1) or more hotel overnights en route. If necessary, the cost of this hotel accommodation is not included in the airfare and is your responsibility. Hotels will be selected by Windstar Cruises and might not be at the port. You are responsible for meals and items of a personal nature.

SCHEDULE CHANGES; AIR DELAYS: We reserve the right to alter air flights as required by airline schedule changes. If tickets have already been issued, we will adjust your itinerary or air carrier, accordingly. In that event, we may ask you to return your tickets. Should you choose to alter your airline schedule in any way once your tickets have been issued, airline charges which result will be your responsibility. If our assistance is requested in changing airline arrangements within sixty (60) days of departure, an additional administrative charge will be levied in addition to any charges imposed by airlines. If your flights are delayed, refer to our Setting Sail booklet for instructions.

SEAT ASSIGNMENTS; SPECIAL SERVICES; FARES; LOST TICKETS; BAGGAGE CHARGES; AIR TAXES AND FEES: We cannot make or confirm seat assignments, special meals, or other special services. Your travel agent may assist with these arrangements. If, however, airline fuel or other surcharges or additional governmental taxes or levies are imposed, we reserve the right to pass these through to you. Please keep your airline tickets in a safe place. Should they be lost, you will be responsible for their replacement. Each airline has its own baggage allowance policy. You are responsible for any excess baggage charges imposed by airlines. Air add-on costs quoted by Windstar Cruises will not include passenger facility charges, federal flight segment taxes for each flight segment (takeoff and landing), the September 11 security fee per passenger enplanement, international arrival and departure taxes assessed in foreign countries (the amount of which may be charged in the currency of the foreign country and is subject to change), or new taxes which may be enacted.

LIABILITY AND RELATIONSHIP WITH AIRLINES: We will use commercially reasonable efforts to arrange for your air transportation. If, however, due to any cause beyond our control, we are unable to arrange for air transportation (including, for example, because of capacity controls placed upon us by airlines due to the types of fares under which we book) or the air transportation we arrange is unavailable or otherwise fails to materialize, our sole liability will be limited to refunding the air add-on paid. Our relationship with airlines is that of an independent travel agent. We assume no liability for any acts or omissions of any airline including, without limitation, those involving cancellation of flights, schedule changes, re-routings, damage to or delay or loss of baggage, flight delays, equipment failures, accidents, pilot or other staff shortages, overbooking, or computer errors. Accordingly, you will not have any right to claim or recover against us as a consequence of any act or omission of any airline. The liabilities and obligations of an airline to you, and your rights against an airline, are subject to any and all terms and conditions of the airline's ticket and tariffs and any and all governmental laws and regulations bearing upon or otherwise relating to such rights, liabilities, and obligations.

LIABILITY AND RELATIONSHIP WITH WINDSTAR LAND PACKAGE PROVIDERS: If, due to any cause beyond our control, we are unable to arrange for any Windstar Land Package or any desired portion thereof, our sole liability will be limited to refunding the Windstar Land Package add-on paid. Our relationship with providers of Windstar Land Package accommodations or services is that of an independent travel agent. We assume no liability for any acts or omissions of any Windstar Land Package provider or subcontractor including, without limitation, cancellation, damage to or delay or loss of baggage, delays (including any delay in rejoining the Ship or missing the sailing or any flight), equipment failures, accidents, staff shortages, overbooking, or computer errors.

BEST IN THE WORLD

“Our Windstar cruise ruined us for any other cruise line,” raved one reader, summing up the effusive praise that readers had for this boutique operator. Voters consistently mentioned the high-quality food on Windstar’s voyages, and the fact that its smaller vessels can visit ports not normally accessible to larger ships. “This is our favorite cruise line for so many reasons,” said one voter, recalling a trip aboard the Wind Surf. “The most important are the small number of passengers and the wonderful service.” Another distinction? Windstar has three sail-powered ships, which are particularly appealing to many of the voters who ranked this line No. 1. “The fact that the ship cruises under sails nearly half of the time is special,” said one reader who also traveled on the Wind Surf. “It’s a glorious and romantic way to see unique places.”
