All-Inclusive Amenities

Everything you could ever need is included with Uniworld. From your meals to premium drinks, a host of onboard wellness opportunities plus your daily shore excursions. We have even included the onboard gratuities. All you have to do is sit back, relax and enjoy the Uniworld experience.

Intimate and Relaxing Experience

Compared to ocean cruising, a river cruise ship is smaller and therefore offers guests a far more intimate experience. With just an average of 120 guests onboard, you can get to know your fellow travelers and also receive better access to the incredible staff onboard.

Immersive Travel Experiences

By nature, cruising along rivers allows you to travel directly through the heart of countries, giving you access to some of the world's greatest cities right outside your window. Our ships often dock in the center of town, so you can step right off the ship and start exploring immediately.

Sailing by river means enjoying all the conveniences of a traditional cruise, along with all the benefits of land travel. Stopping in multiple destinations on every trip, you'll visit bustling cities and hidden gem villages, unpacking only once. Even while onboard you'll be immersed in the local sights, with ever changing views right outside your window. River cruising is absolutely the best way to cruise, and the best and most luxurious river cruise is with Uniworld.

Award Winning, Floating Hotels

One of the highlights of your river cruise will be the ship you sail on. Each of our one-of-a-kind ships is like a floating boutique hotel; designed to immerse you in the destination and fully equipped with luxurious amenities, beautiful public spaces and multiple dining venues throughout.

Local Enrichment Opportunities

On a Uniworld cruise, we have selected the must sees on every itinerary. These experiences range from behind the scenes access to the world's greatest landmarks such as the Taj Mahal, exclusive after-hours access to enjoy St. Marks Basilica without the crowds or receiving a breathtaking water blessing from a Cambodian monk.

Enjoy a Slower Pace of Life

A river cruise is perfect for those who enjoy a slower pace of life. You will sail peacefully through the heart of countries, docking in the center of cities and spend plenty of time exploring wherever you visit.

THE MOST ALL-INCLUSIVE AMENITIES

Don't settle for anything less

There's all-inclusive, and then there's the unmatched level of inclusive luxurious amenities that only we provide. To ensure truly carefree and effortless travel, we've gone ahead and included it all—so the only thing you have to do is *sit back, relax and enjoy the Uniworld difference.*

DESTINATION-INSPIRED SUPER SHIPS

S.S. Bon Voyage

Garonne & Dordogne rivers (Southern France)

S.S. La Venezia

Venetian Lagoon (Italy)

Designed to immerse guests in French culture, art and wine, the *S.S. Bon Voyage* is as quintessentially French as they come. The three onboard dining venues perfectly capture the essence of France and the stunning Soleil Deck has been designed for the hot summer days you will experience in Bordeaux.

The design of the *S.S. La Venezia* drew influence from the fine Fortuny fabrics displayed prominently onboard. Murano glass, gilded accents and artistic etched elements pay homage to popular Venetian aesthetics of the early 20th century, creating an onboard atmosphere that is at once elegant and nostalgic.

Our Design Ethos

Modeled after our sister company, the Red Carnation Hotel Collection, each ship's distinctive theme, color palettes, custom-made fabrics, personally selected original artwork, sumptuous furnishings and antiques, have been thoughtfully considered and flawlessly rendered.

Inviting Public Spaces

All of our Super Ships have been designed with a focus on larger public spaces for our guests to enjoy. We have reduced the amount of cabins on our European ships to hold an average of 130 guests - compared to others in the industry who hold between 160 - 180.

Unlike other cruise lines, every Uniworld ship has been inspired by the very rivers we sail on and uniquely designed to showcase the very best every destination has to offer. With distinctive themes, color palettes, custom-made fabrics, personally selected original artwork, sumptuous furnishings and antiques, each element, down to the smallest detail, has been thoughtfully considered and flawlessly rendered.

S.S. São Gabriel
Douro River (Portugal)

S.S. Joie de Vivre
Seine River (Northern France)

S.S. São Gabriel is the newest and most luxurious ship on the Douro river. Designed to embody the beautiful Douro River Valley region, this ship offers more lavishly appointed suites and brings the destination to life through its décor and delectable food and wine. Butler service gives guests the option to dine at any time they'd like while enjoying the ship.

S.S. Joie de Vivre brings the "joy of living" to the rivers of France. Step aboard your floating pied-à-terre in France, featuring handcrafted furniture and fine antiques, original artwork, and signature accents inspired by 20th-century Parisian design from the Golden Twenties to the free-spirited Sixties, all blending seamlessly with modern conveniences.

Uniquely Designed Suites

Like our ships, all our suites have been uniquely designed. Each suite is a true showstopper, boasting more space, custom fabrics and upholstery, original artwork, handcrafted furniture, Savoir® Beds of England and dedicated butler service.

The Finest Amenities

Every lavishly appointed stateroom features handcrafted Savoir® Beds of England, high thread count 100% Egyptian cotton sheets and European duvets, a menu of pillow options and Asprey bath and body products.

ALL-INCLUSIVE SHORE EXCURSIONS

Every Uniworld cruise has been meticulously crafted to be an experience you won't find anywhere else, filled with moments that are each more breathtaking than the last. We've gone the extra mile to ensure our included and optional excursions immerse you in the authentic culture, sights and cuisine of the places you'll visit—each providing you with a unique perspective that only Uniworld offers.

Once-in-a-Lifetime Experiences

There are some endeavors in life that remain fond memories forever. From visiting a museum without the crowds to an after-hours tour of St. Marks Basilica or an exclusive sunrise viewing of the Taj Mahal before the crowds arrive, these included, once-in-a-lifetime experiences are arranged **exclusively** for Uniworld guests.

Brand New “Nights Out” Excursions

We're thrilled to introduce our new immersive *Nights Out* evening experiences, that really dive into the culture, history and traditions of some of the most incredible European cities. From private concerts in Vienna to behind the scenes access in Venice and even a private nighttime visit to Cochem Castle.

Small Group Experiences

We believe you can experience every destination much more in a smaller, more intimate group, that's why we always run multiple tours with limited guests. You'll have several options of included excursions each day, so you can explore each destination exactly how you would like. The choice is yours.

Behind the Scenes Access

With Uniworld, you won't find yourself queuing for attractions or surrounded by tourists. You will enjoy exclusive behind the scenes access to many iconic destinations, giving you the very best experience **without the crowds**.

AWARD-WINNING, CULINARY EXCELLENCE

Our culinary philosophy is ever-evolving, designed to appeal to the discerning palates of international travelers, with a variety of traditional dishes, inspired contemporary flavors, delicious healthy dining options and comfort cooking. Enjoy an unrivaled taste of your destinations

When dining onboard, you'll be treated to world-class cuisine made from fresh ingredients, locally sourced from the destinations you visit. For example, when in Italy, dinner may consist of Prosciutto di Parma pizza and Osso Buco Milanese, prepared to your liking, with meats and vegetables sourced from just miles away.

After a day immersed in Indian culture, your taste buds may do some immersing of their own with Gajar Shorba and Tandoori Chicken Tikka for lunch.

Much like the finest restaurants around the world, our onboard menu's adapt throughout the seasons, depending on the locally sourced produce available.

Unlimited Premium Beverages

Extra dirty Grey Goose martini with locally harvested olives? It's all yours. As is everything else you can think of. With our ultra-inclusive amenities you can enjoy unlimited beverages onboard, including many premium spirits, fine-wines, teas & coffees, locally sourced beers and hand-made cocktails.

A Great Choice of Onboard Restaurants

Aboard our Super Ships you will enjoy a choice of dining venues, such as the S.S. *Bon Voyage*:

Introducing the quintessential **La Brasserie**, with its natural green and pops of yellow décor inspired by the famous Bouillon Pigalle, serves traditional bistro fare.

Le Grand Fromage offers menus reflective of the local cuisine, prepared from locally-sourced ingredients.

La Cave des Vins is an intimate space where connoisseurs can gather for expert food and wine pairing dinners upon request.

Le Café du Soleil offers casual French cuisine as well as open-air cooking demonstrations from our chefs - the perfect venue to enjoy the Bordeaux summer.

THE MOST PERSONAL SERVICE FOR EVERY GUEST

Our outstanding crew onboard are the driving force behind our guest-centric atmosphere and the reason you leave your cruise feeling like part of the family. It's very common you will find staff members who have worked solely for Uniworld for over ten years. To ensure every guest is thoroughly looked after, we offer the best staff-to-guests ratios in the industry.

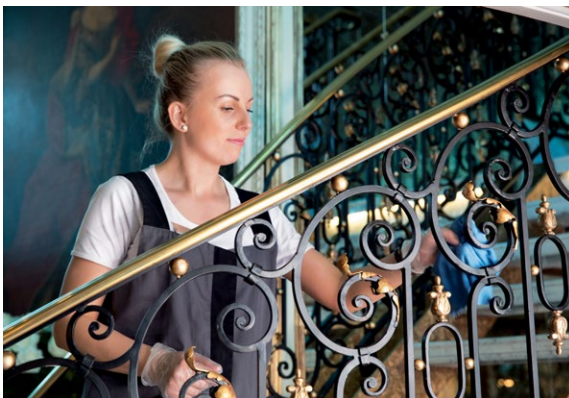

No Request Too Large

Our goal is to give you the unique and unforgettable experiences you seek, with the personalized, industry-leading service you deserve.

1 to 2.3 Staff-to-Guest Ratio

With the best staff-to-guest ratios on the rivers, each guest receives our crew's full attention and unmatched attention to detail.

Tiny Noticeable Touches

The tiniest details often draw the brightest smiles. Our staff's passion is apparent in their matchless attention to your interests, like remembering your drink order from day one, or venturing off the ship to surprise you with chocolates from a local shop you mentioned in passing.

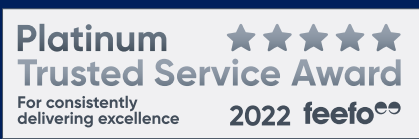

In-Suite Butlers

Our butlers are trained to the same standards of excellence required by Buckingham Palace. Each assumes the role of butler 100% of the time, and doesn't moonlight in other roles, enabling him or her to focus fully on making your cruise one to never forget.
